

MY POETIC TESTIMONY IN THE NAME OF THE LORD JESUS CHRIST

My Friend, for Love and Truth I searched and searched
For upon the answer Life surely did depend
But though I looked I could not find it
Because the awful darknes I was in

And besides this we're all born very blind; for we did not see the hand ever there
Extended from the One who really Loves us and upon the Cross our sins, in pain, did bear
And in my tortuous struggle, I did not have the strength to carry on
And with crushed soul and broken heart, the LORD, I humbly prayed and called upon

GOD, in this living hell I can't continue; please let me KNOW, if You're really there
Let me KNOW, if You really died for me and let me KNOW if You really care
And after many tears of sorrow that only those who've been there really know
The Hand of LOVE reached out to Save me and now, in His LOVE I grow and grow

And now that I KNOW that I KNOW that I KNOW HIM, HIS LOVE and Saving Grace for all, I tell
Come to JESUS CHRIST and receive Him; your gloom and darkness He'll dispel
But sadly though I plead and plead and even cry from my very knees
There are those who mock and shame HIM and say that other gods is what they please

They know not the LOVE and JOY that waits for them; for if they did, they'd surely come
And they'd turn from all the sins that ail them and enter in the LORD'S Kingdom
But though they choose to suffer, my Friend, I think far better things of you
Now grab hold the Hand extended; for JESUS CHRIST is reaching out to you

To pull you out the pit you've fallen into
And to cleanse you from all that hurtful sin
To Save, Heal, Guide and Comfort you
Your Everlasting Life will then begin

And as the HOLY GHOST comes upon you, in Heaven you will surely dwell...

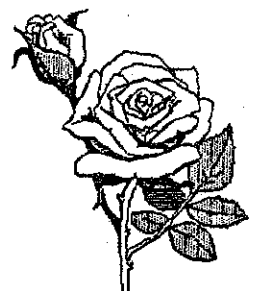

For JESUS LOVES YOU DEARLY; and HE hung on the Cross for us
To Save us from that awful death; to Save us from the very pains of hell

HE LOVES YOU DEARLY; receive Him and the Truth you'll gladly show
And out of LOVE for others, you will tell them
So His Salvation they may also KNOW

Yes, JESUS LOVES YOU DEARLY
This to the world I gladly yell
JESUS LOVES YOU DEARLY!!!!!!!!!!!!!!
More dearly than the spoken word and more dearly than the written word can tell

The LORD JESUS LOVES YOU DEARLY!!!!!!!!!!!!!!
More dearly than these mere words can ever tell
Cry out to JESUS now and in LOVE with Him you'll forever dwell
Just trust in Him to keep you always well

JESUS LOVES YOU DEARLY
More dearly than these mere words can ever tell...

ONCE UPON A TIME

Once Upon a Time...

Everywhere were joyful children playing
amidst the grass so green
and orchards so fruitful

There were days of fragrant gentle breezes
sweet ambrosia and glorious views
blossoms hued so beautiful

There were streams so crystal clear
quenching to the deepest thirst
and calm seas so wonderful

There were men of honesty, loyalty, and dignity
they were kings, kind and wise
Loving, Strong and O' so Faithful

Majestic Mountains
Skies so Blue
Clean Hearts
So Pure and True
Holy Minds
Generous Hands
Lasting Families
Peaceful Lands
Glistening Twilights
Rose Colored Dawns
Bounding Hills
And Little Fawns
Lush Rolling Fields
Endless Pastures
With Abundant Yields
Soaring Heights
Trumpeter Swans
Marvelous Sights

In your mind's eye, behold this pantomime
for all these and more can you adore
in that land of Once Upon a Time

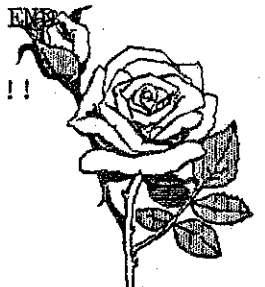

You may want to dwell in Once Upon a Time
Especially in these cold days of filth and grime
But to you I now tell
That soon all darkness will dispel
For our LORD JESUS CHRIST shortly shall appear
So turn from sin and hold HIM dear

To Glorify HIM, I wrote this rhyme
All who LOVE HIM shall soon dwell in the Land--
Far better than Once Upon a Time...

SOME PEOPLE COMFORT OTHERS

Some people comfort others wherever they may go;
Because they're filled with JESUS CHRIST, His Love they often sow.
By the Faith of JESUS CHRIST, deep within their heart
Hope to others always, they joyfully impart.
Their Words are filled with Great Power, Wonderous Peace, Abundant Life;
Meant to heal the nations and end all bloody strife.
They wish to let all know that the LORD JESUS is the Cure.
All who receive Him are Blessed and Saved and Sure
Of GOD'S Kind Comfort and protection throughout the rest their days;
And Comforted, they Comfort others in O' so many ways.
They pray for you and all who CHRIST surely did die for;
They ask that you receive Him and rejoice forevermore.
Because He is alive, His LOVE in them you see;
So cherish all comforters, His Beloved, with great glee.
And when you see one exalt JESUS CHRIST by name,
Give Thanks to GOD our FATHER; Give Great Glory to the same.
For He sent them to call everyone quickly to repent;
Come Come Now, for the days are short and the time is nearly spent.
They call out of Love; Knowing Heaven and hell to be real,
And that your torment may forever cease, they ask you all to kneel.
On bended knee, ask LORD JESUS to forgive
And come into your life as LORD and SAVIOR; there to always live.
And then you will gladly understand
Why the comforters Preach throughout the Land;
The Glad Tidings of Great Joy, "JESUS IS ALIVE!!!!!!!!!!!!!!";
He died for you and me...", so heed not the devil's jive.
Yes, and in the morning when you rise
Brush the sleep from your eyes.
And say not, "I will not believe in what I can not see..."
For He that is in me reminds you of these things that be:
The Wind you feel upon your cheek
Is like My Spirit upon your heart when you read My Word or Hear me Speak.
The stars so many hid by artificial light
Are like my messengers, who by so many who tell lies, have become hidden from your sight.
The blind that grope along the way
They see nothing and yet they know I AM day by day.
Go into a pitch black room and shut the door behind
For an object you know is there, you could search and search but never find.
BUT NOW YOU SEE LIGHT BREAKING THROUGH THE EDGE OF THE DOOR
OPEN YOUR HEART; RECEIVE THE LORD JESUS CHRIST I STRONGLY IMPLORE!!!!!!!!!!!!!!
And what was dim will become clear and the hidden seen
As you brush away the sleep and I your heart clean.
If you'll receive Him now, of GOD'S Kingdom you will now partake!!!!
Check your heart; do you KNOW Him or just another fake?
All who trust in JESUS CHRIST shall certainly arise!!!!!!!!!!!!!!
And soon meet Him in Great Glory; to the doubtful's dread surprise!!
COME NOW!!!!, my Friend, I cry with all my heart;
Escape the Fire and let your Joyful, Ceaseless Life now start!!!!
This generation will find out; on man and money you can't depend,
But all of you who KNOW JESUS, your Faith in HIM will endure unto the END.
Hold fast! Never Give up; no matter how trying the times!!
Remember!, in the HOLY BIBLE these are all just the prophesied signs!!!!
Some people comfort others wherever they may go
So that GOD our FATHER and JESUS CHRIST you will surely Know...

BE COMFORTED!!!! BE STRENGTHENED!! KEEP THE FAITH!!!!!!!!!!!!!!

My Love

My Love is fresh like the morning dew upon the grass

-and the tender blossom

My Love is Strong and Ardent like the Mighty Steed

-that looks well to his herd

My Love is Bright and Shining like the Sun

-that drives all darkness away

I nourish and protect

I give life and

-I care for the least to the greatest

I encourage all in a way that is good

-all who were discouraged by the wicked and cruel

I take up those who have been cast down

-trample not upon my Garden of Roses

My Love is like the Ambrosia of the Sweetest Lilies

The fragrance gives Joy none can steal

-the hearts of men sing

I have compassion and I heal the sick

-I mend broken hearts

I wake the sleeping and comfort those near death's afflictions

Songs of Deliverance fill my soul

-Wisdom proceeds from my mouth

I reach out to the poor, the oppressed and the needy

I make strong the weak

-they trust in me and I never fail them

I make merry the humble

-the meek are exalted over those that trampled upon them

I judge rightly and I speak soundly

I open the ears of all who wish to hear me speak

I open the eyes of all who wish to see my works

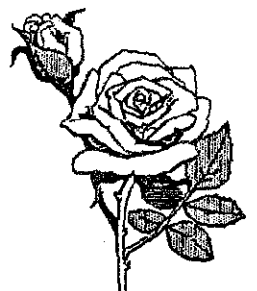

Ask, and I shall give you ears to hear my Voice.

Ask and ride free upon the Wings of my Song

*****That Song is my Love for you all;

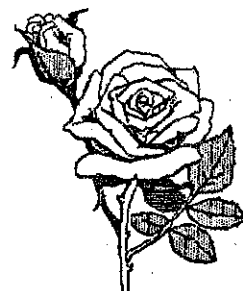

for I AM LOVE and my Name is JESUS CHRIST.

Truly I LOVE YOU--I LOVE YOU...I LOVE YOU!!!!!!!!!!!!!!

A REPENTANT SINNER

Oh my GOD, I did not know why I was troubled so.
In Your Love, You tried to reach me again and again.
You were letting me know that You wished to deliver me from sin.
How foolish I was and all my thoughts were vain!
I thought sin brought pleasure, but it only brought unbearable pain.
Oh LORD! forgive me I pray and never again let me wander astray!
Oh LORD JESUS have mercy on me! Perfect me so that with You I may always be!
Oh GOD change me so that I never defile Your Temple again!
Oh how I've played the whore and hurt You with my awful sin!
Oh LORD GOD, I can not bear to hurt You again.
You died for me because You LOVE me to deliver me from this body of death I'm in.
Each moment I long more, and more to be free from this cage.
So GOD, Please make me incorruptible; never to age.
Oh LORD in my heart, spirit and soul I long to please You.
Yet the filthy lusts of my flesh only make me blue.
I hate this present state of corruption and death.
Appoint me to glory, joy, and honor like dearly beloved Seth.
Oh GOD never give up on me; instead make me Faithful and True!
I long to be made Holy and Pure; Incorruptible, just like You!
No greater pain is there than this:
The dreadful sin that separates me from You, my Eternal Bliss!!!!!!!!!!!!!!
Oh GOD!! Wash me! make me clean!!!!Make my heart calm and serene.
LORD JESUS, You're my Maker; work mightily in me now that I may be a partaker
Of Your Glorious and Divine nature; that I sin no more, completely pure.
Oh LORD GOD please make me immoveable so that I transgress not in thought, word or deed!!
Oh LORD JESUS hear me in Your righteousness; Obedience out of LOVE is my need.
Oh my LOVE, I can not live without You, PLEASE OH MY GOD; let Perfection ensue.
Oh GOD, I can bear this sinful body no longer; for Your Name's sake make me stronger!
May You and Your Words, permeate my being so that I Joyfully Sing!!!!
Oh GOD, LORD JESUS, for Your Name's sake, make me to be True and not a fake!!!!!!!!!!!!!!
Turn me from all lust; for in You alone is my trust.
I ask You to Work upon me so;that my LOVE for You would ALWAYS show!!!!!!!!!!!!!!
LORD, my desire is to please You and do Your will.
Be still, my soul, be still.
Oh LORD, You created in me this desire in my heart.
I shall please You for all eternity; in LOVE we will never part.
LORD JESUS, My GOD, my SAVIOR, my LOVE, my LIFE,
THANK YOU! OH THANK YOU FOR YOUR LOVE, YOUR MERCY, AND YOUR GRACE.
LET US ENTER NOW INTO AND ENDLESS, LOVING, HOLY EMBRACE. Amen. and Amen.

THE MELODIOUS MEDITATION OF LIFE

When I think of ...

The Wonders all around me ...

The Ambrosia of the Flowers

The Effervescent Sea

The Majestic Peaks so Mighty and so Bold

The Silvery Clouds that give the Purest Rain

The Multi-colored Eyes of Fiery Twinkle Bright

The deepest darkness of the Pit of Night

The Crystal Streams that flow from

--Fountains of Purest Light

The many Beasts large and small

The Pleasant Fruit Trees that provide for all

The Bluest Sky and Radiant Sun

The Scintillating Stars like Diamonds

--against Black Velvet Cloth

The Gentle Breeze so warm and mild

The heavenly music of turtledoves

The herbs and spices that flavor our feasts

And the Smiling Face of a little Child

From the deepest depths to the most distant moon

From the microscopic to the universe entire

From the trillions of cells that make each unique

--To the Glorious Breath that makes us speak

I quaff of Creation

I am quenched by the Knowledge Above

I'm humbled before the Ineffable One

And stand amazed of Eternal Love

I reach for Perfection and I am filled with Awe

In the Spirit I Resound as I open my Heart

"Truly, My GOD, ...

HOW GREAT THOU ART !!!!!!!!!!!!!!"

Written in the Name of and to the Glory of our LORD JESUS CHRIST!

CALL UPON JESUS CHRIST!!!!!!!!!!

FATHERS

Here's a few things I'd like you to know
How, when I erred, your hand of discipline
Taught me in the way I should go
And at the time, I might have cried
But upon reflection, you gave me good values
And I know that from your heart you tried
We've both been through hard times
And made plenty mistakes
So give ear to these rhymes
When I think of you, in this I boast
That you taught me not to give up on your loved ones
And for that, I admire you most

Your frown makes me sad
And your smile makes me glad
But it's your never ending, undeserving love for me
That makes my heart say, ...

I'll always Love you, Dad!!!

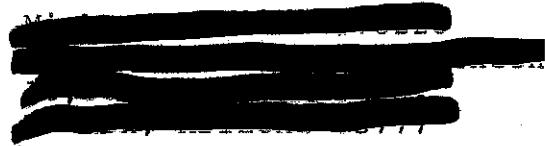

May you and I help, comfort and love each other

FOREVERMORE.

[REDACTED]

ON THE OTHER SIDE

I've heard a song sweet
Sweet; Pleasant to the hearing
Easy to be entreated
O' Turtle Dove
Comforting Love
O' Turtle Dove
Comforting Love
Beautiful
The Sun shines in
The midst of paradise
I see my
LOVED ONES REJOICING
Peace, Peace
The Song Birds Sing
Enrapturing Songs of Rejoicing
I've heard a song
What you've lost is restored
Unto perfection
I've heard a song
Restored, Restored
And yet better than before
Do you hear
This Wonderful Song?
Let your hearts be comforted
For all is kept
And what troubles you
(Concerning lost things and lost Loved Ones)
Shall be fully restored
And yet, so much more
You have not long to wait
Hear the Song Birds
They're Rejoicing!!!!!!!!!!!!

Ode #1

The thought of the Most High has come unto me,
as it comes to all those who Love the Most
High with the Love He has given them to love with.

His thought is perfection.

Love, that all be neighbors, that all be of
the family that lifts one another up.

To see the vastness of the oceans and rejoice
in He who calms the Sea.

Oh, the Most High is Great and Glorious!

And those who behold Him will be like Him and
be made perfect.

For desirable is His Beauty.

And great are His riches, so great that they
can not be measured according to the thought
of man in the flesh.

For Eternal are His Gems, His precious ones.

Ever rejoicing, they rejoice in Him, for He
rejoices in them and they are one.

Unto Him who reigned and forever reigns, great
blessing and honor is due.

For all who unite with Him do also reign and
are blessed and in honor.

Ode #2

The Fruit of the Tree of Life is seen in those who Love GOD. That Seed in the fruit planted in good earth has brought forth trees of life and Paradise is seen for their abundance.

Those trees that would not drink in the living waters given them did dry up and being unfruitful, perished.

They leave no seed to produce any of their like. And these are the living waters, those that flow from the Fountain of Life, even the Word of GOD, who Himself became incarnate and did water His Creation.

Then, being lifted up, did shine upon the seed He had sown and they grew strong and mighty and became like unto the First.

And they followed the First, for Life came by Him and they clung to Life for all goodness dwells in Him.

Ode #3

There are those who refused to drink in the thought of the Most High, nor did they swallow sweet waters. And when Holy Rain fell from above in the time appointed, the wicked cursed GOD and ran from the Rain, for their consciences were seared and their wicked works were revealed.

Yet, those who were wise saw the Light of the Truth, and knew if they would Repent and Receive the Word of GOD, they would abundant mercy and grace, and their darkened souls would become as the One they beheld.

Glorious and full of all that is good are those who turn to the Most High with all their heart.

For the Hail from GOD no longer plagues them, but they, as living stones of fire, become reason for those who love darkness and the works of wickedness to curse GOD.

Ode #4

He who came before is Eternal; He will never
run dry and He has plenty for all who thirst.

Drink not those bitter waters who keep you
in bondage and oppress you and say you can
not partake of the Bread of Life.

For when you eat the flesh of our LORD JESUS
CHRIST then you will be one with Him.

As you drink His blood, He will purge away
your sins and infirmities that they not
be seen upon you, nor weary you.

His blood will also give you Life and energize
you, even as our blood does unto our bodies.

For those who would understand what to eat
His flesh and drink His blood means, it
means: Partake of the Eternal One and you
become eternal; Eat Life and Life dwells
in you, accept Love and Love will radiate
from you.

Ode #5

The Word of GOD is written of old and seen
throughout all generations as Truth.

In all ~~wqay~~ do the children of the Most
High proclaim Him for He dwells in them.
And as He is so are His children.

Those, who were once gates of death and
of hell, saw the Joy of Heaven and came
to Him and became gates of Life and of heaven.
Yes, in all ways has the One multiplied
Himself and shown all that He is the Most
Blessed thereby.

The ~~earthns~~ and the earth are full of His
Glory.

The **Wise** will accept the Love of the Most
High and His children that they might obtain
the Kingdom of Heaven.

And this is the Joy **Iddid** see: that the
Kingdom of Heaven came unto men and spoiled
hell and hell was consumed in Holy Fire
and found no **mope**.

Let ~~thase~~ who Love honor know it is the
Most High who gives honor.

He was a **Lamb** in the earth and so too are
His children lambs.

Yet, know that you are His, who have been
sent from above to perform all His Holy
will, all manner of good works.

You wear your crowns of Joy, Truth, Righteousness,
Glory, Salvation and even the crown of Life,
for our Lord Jesus Christ is all of these
and more.

For He glorifies you and you shine so that you then glorify Him.
We are His treasures and eternal riches and all creation is given
unto us by our Father, GOD. **Npw** let it be known: As He returns,
so will we appear no longer as lambs, to be sacrificed that others
might live, but as the Triumphant Eternal Ones. The thought of
our LORD JESUS CHRIST **is** our inheritance. REJOICE! Oh you angels
of light--REJOICE!!!!!!!!!!!!

Ode #6

How are they in torment that inherit the thought of death!

For they thought of hate and inherited hatred.

They thought of murder and were slain.

They thought of tortures and were tortured.

They thought of fear and fear kept them from rest.

It has been written that the slaughterers have become the slaughtered.

In all their wicked thoughts have they inherited what they have sown.

And can the corruptible make himself incorruptible?!

Only by receiveing He who was tried and found perfect can any be made incorruptible.

That Perfect One, even our LORD JESUS CHRIST, is HE who makes what was once corruptible into the incorruptible.

And by His Holy Thought do they become Holy.

Let he who thinks himself to be wise realize the imperfect ~~cannot~~ make themselves perfect.

Nor can the fool make himself wise.

Nor can the sick, heal.

Nor can the wicked do righteously.

In all ways are we less than the Most High and His Wisdom is ~~so~~ much higher than ours.

The dead can not create life.

So receive the Living GOD and Him who is Perfect and Wise and let Him lift you up on High for HE reigns Supreme!!!!!!!!!!!!

And those who receive Him, do as He does and they are like Him and are one.

For He gives them His Holy Spirit when they give Him their souls.

Receiving Life, they then go forth and give it.

For they are as the One who gave them that Life.

And so I urge all to receive the disciples of JESUS CHRIST our LORD and SAVIOUR;our LIFE and our ALL IN

ALL! In receiving them, you will be receiving the LORD

in them and be blessed. Hear, Receive, Obey--The LORD JESUS CHRIST Comfort you.
