**RESPONSE TO ANY AND
ALL MOTIONS TO
DISMISS OR SUMMARY
JUDGMENT RELATING
TO THIS CASE**

23 Comes now the Plaintiff, representing himself and those being tortured with intent to be
24 deprived of life and can not speak in their own defense. **WHAT MUST I DO TO GET**
25 **RIGHTEOUS AUTHORITIES IN THIS REGION TO INVESTIGATE RIGHT**
26 **AWAY?!** I battle death every day trying desperately to stay alive long enough to testify
27 and present the evidence I've gathered TO SAVE LIVES FROM INHUMANE
28 TORTURE AND DEATH! To be blatant local authorities probably don't possess
29 enough medical knowledge to see the proof I've already submitted and besides some of
30 them have only added to crimes against my wife and I! **KNOWLEDGEABLE**
31 **FEDERAL INVESTIGATORS WITH MEDICAL EXPERTS NEED TO**
32 **INVESTIGATE MY ALLEGATIONS RIGHT AWAY!** This is the main reason of my
33 complaint. **PEOPLE ARE BEING MURDERED RIGHT UNDER OUR NOSES IN**
34 **OUR HOSPITALS AND IN OUR MENTAL WARDS!!! AND NO MATTER HOW**

35 HARD I'VE FOUGHT TO GET OFF MY DEATH BED AND SPEND EVERY
36 WAKING MOMENT TRYING TO GET SOME RIGHTEOUS AUTHORITES TO
37 INVESTIGATE NO ONE COMES!!!! I am seriously ill, I don't have the strength to
38 handle all the paperwork generated from attorneys in an effort to attempt to disregard the
39 seriousness of the material facts! I do have the strength to testify, to present evidence
40 proving my allegations in Court. I would appreciate help, because there is a lot of
41 technical evidence. I'm going to need to summon other witnesses that I don't even know
42 their names yet but can be obtained by subpoenas of employment records and from eye
43 witnesses. I can scientifically, prove my allegations concerning the aspects of the
44 medical mis-diagnosis and lack of diagnosis that is depriving me of my life and resources
45 in an attempt to cover up serious organized criminal activity and corruption.

46
47 With that introduction, it is obvious that anyone filing a motion to dismiss or for
48 summary judgment is in contention with the allegations of my complaint. Plaintiff argues
49 that the allegations of criminal activity are of such a serious nature that it simply would
50 be summarily sentencing to death and torture unknown innocents and probably result in
51 my own unjustly. I HAVE SACRIFIED EVERYTHING TO FILE THIS COMPLAINT,
52 AS I'VE LOST MY ABILITY TO PROVIDE FOR MYSELF, MY WIFE, AND WAS
53 ON THE VERGE OF FORECLOSURE AND POSSIBLE HOMELESSNESS, WHICH
54 IS A VIRTUAL DEATH SENTENCE IN MY PRESENT STATE OF HEALTH. I
55 URGE THE COURT TO PLEASE EXPEDITE A COURT DATE BEFORE THAT
56 HAPPENS! Besides trying desperately to defend myself, so that I can rest from the
57 homicidal attempts on my life and try to regain my health or at least spend my final days

58 not having to face dying homeless with a defaming mis-diagnosis. Some might think,
59 I'm not suffering, in order to have attempted to file this complaint. ON THE
60 CONTRARY, the excruciating present suffering every waking moment, won't let me rest
61 well, as I know I may be a rare survivor of heinous activities being perpetrated on
62 unsuspecting American citizens by intelligent, organized criminals taking advantage of
63 public trust. MAKE NO MISTAKE, THIS COMPLAINT IS A MATTER OF LIFE
64 AND DEATH! My allegations are truthful, the government is negligent at best and a
65 willing participant at worst; as no matter how hard I've tried, no serious investigation has
66 been conducted and I have to endure every day, GENUINELY AND DEEPLY
67 CONCERNED, that the awful pain I'm experiencing could be done to someone else,
68 while I scream as best I can for assistance to stop this inhumane criminal activity. VERY
69 SUSPICIOUS, acts have occurred since I started trying to get authorities to investigate
70 my allegations, some local authorities have committed more serious crimes, but the most
71 frustrating is that there are federal employees, through use of the Patriot Act, who
72 working with local authorities know I'm telling the truth about these things and have
73 done their best to discredit and spread lies about me, rather than HELP ME SAVE
74 LIVES. Word has gotten back to me that authorities have been telling others I'm a drug
75 dealer, and still others going around to potential witnesses telling them I'm some kind of
76 terrorist! I have literally sent hundreds of faxes and emails to authorities and other
77 persons who could reach authorities in their area on various levels, simply trying
78 desperately to get knowledgeable and righteous ones here, because some of the criminals
79 must be rogue agents and law enforcement officers that are taking advantage of public
80 trust to perpetrate these crimes even like these physicians we honor simply because we

81 must trust them with our very lives and welfare. I state again, when allegations are this
82 serious, to summarily dismiss the case is to be sentencing innocent suffering citizens to
83 ongoing torture and death, when I may be one of the rare survivors that can help put a
84 stop to it. PLEASE HELP ME BY CALLING IN MEDICAL EXPERT FEDERAL
85 AUTHORITIES SO THAT I CAN SUBMIT THE TECHNICAL EVIDENCE AND PUT
86 A STOP TO THESE KINDS OF ATROCITIES BEFORE THEY MURDER OR
87 TORTURE EVEN MORE! TIME IS OF THE ESSENCE! PLEASE HELP ME! I only
88 filed the complaint, because after nearly a year of attempting to get local, state, and
89 federal authorities to take my faxed affidavit seriously enough to come knock on my
90 door, so I could show and explain the evidence NO ONE DID! THIS IS SERIOUS! I'M
91 NOT MAKING IT UP! IT'S NOT IN MY HEAD! I personally met victims of
92 "medical mal-practice" testify that not only in this state but others where "medical
93 malpractice" occurs, they shuffle some of the rare survivors of the willful crimes, into
94 mental wards, where they are given psychotropics and they either go along with the
95 conspirators and agree the "malpractice" never happened or they get shuffled off to state
96 institutions where the medications and dosages bring about their early deaths or they
97 suffer other terrible crimes of various assaults, and cruel and unusual treatment. NO
98 ONE SHOULD BE FORCED TO TAKE MEDICATIONS THAT CARRY LETHAL
99 WARNINGS!!!!!! But it's a standard of practice, even though it causes serious internal
100 injuries and early deaths short of a miracle from GOD. Not only is our government
101 actively involved in much of these allegations, but is at best negligent and I can prove
102 that as a matter of law. (BECAUSE MY ALLEGATIONS ARE FACTUAL)

103

104 Another reason I filed was that, since some federal and local officials are involved in the
105 crimes and have knowledge of the crimes against me, I wasn't sure from the lack of
106 response from any of the higher authorities to come and investigate, that my pleas were
107 even getting to them. I included them in the complaint; so that I would know for sure
108 that various aspects of our executive branch in charge of law enforcement absolutely
109 were notified that **SERIOUS CRIMES ARE BEING PERPETRATED AGAINST**
110 **CITIZENS BY MEDICAL PROCTITIONERS (WHO ARE TAKING ADVANTAGE**
111 **OF PUBLIC TRUST AND LACK OF KNOWLEDGE TO ROUTINELY GET AWAY**
112 **WITH IT) AND EVEN BY CERTAIN CORRUPT AUTHORITIES WHO KNOW IT'S**
113 **GOING ON BUT ARE NOT DOING ANYTHING TO STOP IT!** So I actually was
114 anticipating, instead of paperwork, that state or federal authorities would be arriving to
115 investigate my criminal allegations, shortly after filing and still none have. I AM
116 **LITERALLY FIGHTING EVERY DAY TO STAY ALIVE LONG ENOUGH TO**
117 **TESTIFY AND PRESENT THE EVIDENCE. MY HEALTH CHALLENGES AND**
118 **EXTREME PAIN IS MAKING IT INCREASINGLY DIFFICULT TO**
119 **CONCENTRATE AND PRESENT COMPETENTLY WHAT I KNOW I CAN PROVE**
120 **IF GIVEN THE OPPORTUNITY AND SOME ASSISTANCE FROM THOSE WHO**
121 **KNOW I'M TELLING THE TRUTH.** I can individually and scientifically prove, my
122 true ailment(s) in Court, that I could get medical help for but I need resources in order to
123 do so. I have sacrificed my energy and effort and personal resources that should be spent
124 resting, attempting to get healthy, because my conscience can't suffer that the agony I'm
125 experiencing could be happening to someone else and more souls murdered simply
126 because I've been unable to get anyone to take this seriously! After many hours of

127 research I am convinced that the genetic trait being called “Wilson’s Disease” affects far
128 more people than AIDS and yet the public and medical fields are woefully uninformed on
129 how to recognize it. A genetic condition that affects so many, has been known of for at
130 least a century and yet is wrongfully considered rare and so few know how to recognize
131 even though it results in all manner of serious ailments (profitable to the medical field
132 and pharmaceutical industries) MUST be known about by certain individuals in our
133 government, but no one is informing the public even remotely to the same degree as
134 AIDS. Willful profiteering off the ignorance of the public at worst and negligence at best
135 is causing millions to suffer and often they are being told their pain or symptoms are all
136 in their head (which is unbelievably cruel), due to this fact. PLEASE HELP ME RIGHT
137 AWAY! Call in the FBI or federal marshals with medical and forensic experts. Who
138 knows how many have been murdered during the time since my attacks!?

139

140 I conclude that in order for matters of disputed facts to be determined by the Court there
141 must be a trial as provided by the United States Constitution. To summarily dismiss this
142 legitimate complaint would be a direct violation of the highest laws of our land, as it is
143 my constitutional right to not be deprived of my life... without due process of law (which
144 is occurring) and to redress grievances, present evidence, summon and examine witnesses
145 as a matter of law. Any lesser rules of procedure that have been adopted to prevent the
146 weighty matters of this complaint from being heard at trial by jury is in violation of the
147 higher laws that afford citizens these humanitarian and civil rights protections under the
148 Bill of Rights.

149

150 Therefore, please refer my criminal allegations of this complaint to the proper authorities
151 immediately and do not dismiss civil remedies requested because it is unjust that I should
152 perish in agony, homeless and other innocent citizens unable to defend themselves suffer
153 torture and possible death at the hands of these persons who taking advantage of their
154 positions of public trust are committing some of the most grievous crimes.

155

156 Signed this 15th day of November, 2007.
