

The Modern Evolutionary Paradigm is NOT SCIENCE, it isn't even good Science Fiction part 1 of 5

[November 22, 2014 at 10:06am](#)

In the Holy and Omnipotent Name of YAHOSHUAH, I command the spirit of error and all foul and unclean spirits to depart from all who read these words. I call for the spirit of Repentance to come upon all who read these words and May GOD our FATHER grant His Holy Spirit to all who read these words and fulfill what is written in Acts 2:38 - 38Peter said to them, "Repent, and each of you be baptized in the name of Jesus Christ for the forgiveness of your sins; and you will receive the gift of the Holy Spirit.39"For the promise is for you and your children and for all who are far off, as many as the Lord our God will call to Himself."... Amen.

The supernatural miracles or rather the IMPOSSIBILITIES atheists and evolutionists believe in the so called name of science:

(the EXACT OPPOSITE of evolutionary claims) in other words REALITY, the fossil record if anything puts the evolutionary tree of life UPSIDE DOWN because it plainly shows enormous numbers of complex multicelled species that are DYING OFF over time with less and less species remaining on earth! and THE ONES STILL ALIVE, even OURSELVES, are LOSING genetic information causing birth defects and making even ourselves as a species sicker and sicker while we watch extinction events worldwide taking place https://www.youtube.com/results?search_query=mass+die+offs+2014+extinction+events and <https://www.youtube.com/watch?v=lf9yzHwOeUc> and <https://www.facebook.com/notes/michael->

<http://www.uncommondescent.com/intelligent-design/a-world-famous-chemist-tells-the-truth-theres-no-scientist-alive-today-who-understands-macroevolution/>

This is the scope of the complete load of crap (the whole gamut of the modern evolutionary paradigm); fiction in the name of science, being forced upon innocent children in public brainwashing <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>; indoctrination programs in America and all over the world:

1) EVERYTHING came from nothing - https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=the%20universe%20came%20from%20nothing%20according%20to%20some%20scientists It doesn't matter what their excuse for such mental acrobatics and nonsensical imaginations are, when ANYONE VIOLATES THE FOUNDATIONAL LAWS OF KNOWLEDGE AND SCIENCE itself to believe something so OBVIOUSLY FALSE, they have passed the state of willful ignorance, stupidity, and are well on their way to total insanity! - The "universe from nothing" violates the Laws of Non-contradiction and Causality; which as Aristotle put it, must exist for anyone to know anything at all. (Evolutionary Cosmology as is being taught in the name of science today is OVERTLY RELIGIOUS; not even remotely rationally supportable, and is MOST DEFINITELY NOT scientific.)

2) They go on to claim the Causeless EVERYTHING universe not only came from nothing, BUT that includes ALL forms of energy and matter! (Chemical evolution of how atoms formed, molecules, and all the various elements and forms of energy, have yet to be demonstrated by anyone and as such the "theories" fall once again outside the realm of science and the scientific method and are purely religious). YET is all being taught as FACT even though those teaching such things cannot demonstrate what they BELIEVE by blind faith. (everything causeless came from nothing and without directed cause mysteriously assembled itself into separate forms of energy and elements).

3) Atheists and evolutionists further go on to espouse their religious beliefs regarding stellar evolution. How not only the causeless universe that came from nothing causelessly assembled itself into all known forms of energy and matter, BUT that those forms of energy and matter were so balanced as to combine into stars, planets, asteroids, comets, etc. and even our earth. WHY are there larger galaxies, smaller

galaxies, larger stars, smaller stars, etc. IF it all began with ONE form of energy and undefined massless particles, HOW did assembly not only atomically occur, the elements, but VARIED concentrations of elements in stars and planets? AND why did assembly occur at all and HOW are these various masses of various elements and properties held together; in clear violation of the Law of Entropy and the scientific properties of those various elements and isotopes? With every step one takes in the modern popular evolutionary paradigm, one gets further and further away from TRUTH and reality into the depths of abject delusions, deceptions and irrational fantasies!

4) Abiogenesis - the nonsense being forced on mass millions in the name of so called science, DISREGARDS SCIENCE and WHAT WE ALL OBSERVE to make ANOTHER IMPOSSIBLE CLAIM! The Law of Biogenesis alone is IRREFUTABLE EVIDENCE of our ETERNAL CREATOR! LIFE COMES FROM LIFE - <https://www.facebook.com/notes/michael-swenson/god/719346771477618>; it absolutely does NOT come from the nothing that became everything that causelessly defined itself into elements and forms of energy, and to top it all off those causeless, chaotic particles and energy not only assembled themselves together but without any reason whatsoever SPRANG TO LIFE one day!!!!!!! WHAT IS BEING FORCED ON CHILDREN as the evolutionary constructs taught in the name of science today IS TOTAL MADNESS!!!!!!!! <http://biblehub.com/romans/1-22.htm> and <http://biblehub.com/romans/1-28.htm>

5) SO FAR, the IMPOSSIBLE hurdles that atheists and evolutionists mentally jump are: a) everything came from nothing b) forms of energy and defined atomic structure "evolved" into existence without any rational explanation as to why or how c) in defiance of entropy and elemental properties these invisible particulates assembled themselves into visible matter of galaxies, stars, planets in various sizes and dimensions, in various concentrations from the causeless "cosmic inflation" event. d) life sprang into existence from non-life. **ALL OF THESE MENTAL GYMNASTICS VIOLATE THE LAWS OF SCIENCE, KNOWLEDGE AND REASON!!!!!!!! everything from nothing, order from chaos, life from non-life are ALL DIRECT CONTRADICTIONS! otherwise known as IMPOSSIBILITIES!!!!!!!!**

So you get people on earth teaching little kids that all that is necessary for life to exist, is earth, water, air or atmosphere, and sun or similar energy. BUT IN ALL THE PRESENTATIONS I HAVE SEEN THEY ALL LEAVE OFF THE MOST CRITICAL OF ALL ATRIBUTES NECESSARY FOR LIFE - INFORMATION! Without DNA DEFINED INSTRUCTIONS, the elements will NEVER "come to life" NO MATTER HOW MUCH "time" elapses! **LIFE is MUCH MORE than just hardware, (elements and energy), IT IS DEFINED BY DNA INFORMATION, INFORMATION SO COMPLEX that super computers are STILL analyzing it! And the sad truth is these genomes are only the beginning of finding out just HOW DETAILED. WITHOUT BOTH HARDWARE (elements, energy) and SOFTWARE (intelligence, knowledge, information) you will never have a working machine, you will never get ANYTHING that even remotely resembles LIFE! THE VERY PRESENCE OF BOTH HARDWARE (the physical universe) AND SOFTWARE**

(information/knowledge/science) REQUIRES ENGINEERING; IS ABSOLUTELY IRREFUTABLE PROOF OF INTELLIGENT DESIGN BY OUR ETERNAL CREATOR!!!!!!!

When I have pointed out to atheists and evolutionists these clear impossibilities, and how utterly foolish it is to believe this nonsense, they CLAIM they are not teaching these things to students in public primary, secondary educational institutions (coerced indoctrination - <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>) and even at collegiate levels; BUT THEY ARE! <https://www.youtube.com/watch?v=3HoHmSn5Gns> and then they reinforce the public brainwashing in media. <https://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> and <http://themindunleashed.org/2014/07/ten-popular-mind-control-techniques-used-today.html> and <https://www.youtube.com/watch?v=VllwRgSECcw> and as social engineering demoralization expert exposed <https://www.youtube.com/watch?v=kJKJM36IMTE>

Recapping that cosmic evolution as taught today is FALSE and IMPOSSIBLE, chemical evolution as it is taught today is FALSE and IMPOSSIBLE, stellar evolution as it is taught today is FALSE and IMPOSSIBLE, organic evolution as it is taught today is FALSE and IMPOSSIBLE; brings us to the fifth (PROMINENT impossibility; there are innumerable impossibilities atheists and evolutionists have to believe in order to hold to their delusionary worldviews) OVERTLY OBVIOUS IMPOSSIBILITY of macro evolution from a single cell into the billions of more complex species that have ever existed. THERE ARE SO MANY REASONS WHY macro-evolution is IMPOSSIBLE that it's nearly impossible to list them all. <https://www.youtube.com/watch?v=Gjvuwne0RrE> BUT AT THE CORE of macro-evolutionary IMPOSSIBILITY is the belief that GREATER COMPLEXITY comes from simplicity, GREATER DETAILED KNOWLEDGE comes from ignorance, and that myriads of diverse multi-celled organisms all "evolved" from a single celled organism; including our multi-trillion celled selves. (if there is any evidence at all for the modern evolutionary paradigm, it is the remaining pond scum left in the heads of evolutionists and atheists for what should be a brain, because that is how MONUMENTALLY IGNORANT one has to be to espouse this total rubbish and madness! - <https://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983>) THIS IS WHY THE ORIGINAL MEME cited states the TRUTH that what atheists and evolutionists espouse in the name of science is NOT ONLY IMPOSSIBLE, but if ANY OF IT were remotely plausible, would be no less SUPERNATURAL than what is recorded in the Biblical Account of Creation.

<https://www.youtube.com/watch?v=LTApIK7maY&feature=youtu.be>

I want people to understand WHY persons like myself take this subject SO SERIOUSLY. We are NOT trying to participate in exercises of intellectual debate! We are NOT trying to insult, denigrate,

slander, libel, anyone on earth! We are NOT trying to garner attention for ourselves! WE ARE TRYING TO SAVE LIVES! LITERALLY SAVE LIVES! NOT JUST FREEDOMS, LIBERTIES, AND CRITICAL THOUGHT, BUT LIVES AND EVERLASTING DESTINIES!!!!!!!

<https://www.youtube.com/watch?v=QslXG6YhnFY>

If you are thinking we are making way too big a deal out of debating what is being taught to mass millions of souls on earth; you need to FACE THE FACTS as to WHY persons like Dr. James Kennedy, Dr. Kent Hovind, and the many who have risked their careers and even their lives in standing against this evil ideology of state indoctrination all over the world.

The FACT is evolutionary constructs, as they are forced on innocent children today, played a key role in the holocaust of WWII.

CONCURRENTLY WITH THE ASSIMILATION OF NAZI WAR CRIMINALS IN AMERICA AND THE AMERICAS, evolutionary brainwashing began in EARNEST in American public education! Sadly, brainwashed victims, often don't realize how they have been deceived and manipulated until it is too late; so they don't even realize what they are doing when they say ridiculous things like why do you use google and youtube for your citations; as if to suggest the Internet as a whole has no reliable reference material stored globally. I stopped citing constantly specific references because important websites kept disappearing or became "unavailable" like: <http://naturalskies.org/references> which had scientific and even government documents showing their hand in the HAARP programs, geo-engineering, weather warfare and mass mind control. - <https://www.facebook.com/notes/michael-swenson/crimes-against-humanity-part-1/571080836304213> and <https://www.facebook.com/notes/michael-swenson/crimes-against-humanity-part-2/681547435257552> I use the worldwide database and cite such references so you can SEE for yourselves the INFORMATION and disinformation tactics in play! (intentionally overloading citizens with so much nonsense that it becomes difficult for anyone to identify what is true and reliable and so they typically and predictively resort back to whatever they learned or were told as children and young adults and dismiss even evidence before their very eyes that disproves what they THINK is true. - <https://www.youtube.com/watch?v=kJKJM36IMTE#t=1054>)

"the demoralization process (*mass brainwashing*) in the United States is basically completed already...actually it's over fulfilled...not even comrade Andropov and all his experts would even dream of such a tremendous success! ... thanks to lack of moral standards...

DO YOU UNDERSTAND YET THE SERIOUSNESS OF THE SITUATION? America has factually and provably been infiltrated at the highest levels by ENEMIES who have taken control of our government, our military, our schools, our media, and are setting the stage for another holocaust! concentration camps! the arrests and deaths of dissidents! IT IS ALREADY BEGINNING! My notes expose WHO these enemies of America are and what they are doing and planning! PLEASE BECOME AWARE OF THESE FACTS IMMEDIATELY!

"In his book *The Scientific Origins of National Socialism* (1971), Daniel Gasman claimed: "Haeckel . . . was largely responsible for forging the bonds between academic science and racism in Germany in the later decades of the nineteenth century."⁸In a later book, Gasman urged that Haeckel had virtually begun the work of the Nazis: "For Haeckel, the Jews were the original source of the decadence and morbidity of the modern world and he sought their immediate exclusion from contemporary life and society."⁹ Gasman's judgment received the imprimatur of Stephen Jay Gould, who concluded in his *Ontogeny and Phylogeny* (1977): But as Gasman argues, Haeckel's greatest influence was, ultimately, in another tragic direction—National Socialism. His evolutionary racism; his call to the German people for racial purity and unflinching devotion to a "just" state; his belief that harsh, inexorable laws of evolution ruled human civilization and nature alike, conferring upon favored races the right to dominate others; the irrational mysticism that had always stood in strange communion with his grave words about objective science—all contributed to the rise of Nazism.¹⁰ Scholars like Gasman, Gould, Peter Bowler, Larry Arnhart—as well as a host of others—attempt to distinguish Haeckel's views from Darwin's, so as to exonerate the latter while sacrificing the former to the presumption of a strong causal connection with

Hitler's anti-Semitism.¹¹ I don't believe this effort to disengage Darwin from Haeckel can be easily accomplished, since on central matters—descent of species, struggle for existence, natural selection, inheritance of acquired characters, recapitulation theory, progressivism, hierarchy of races—no essential differences between master and disciple exist.¹² So if Hitler endorsed Haeckel's evolutionary ideas, he thereby also endorsed Darwin's." -

IF YOU THINK THAT I AM BEING EXTREME IN CALLING FOR THE IMMEDIATE GLOBAL ARRESTS OF ALL INVOLVED AND THE IMMEDIATE CESSATION OF ALL THE LIES BEING TAUGHT CHILDREN IN THE NAME OF SCIENCE THESE DAYS, THEN YOU ARE NOT LEARNING FROM HISTORY AND ARE IN DENIAL THAT AMERICA IS ALREADY TAKING VERY DANGEROUS STEPS TOWARD ANOTHER HOLOCAUST!!!!!!!

LOOK at what is ALREADY underway! <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079> (Besides the brainwashing, poisons in food, air, water, hygiene products, medications, besides the nazis, socialists, in education and government, besides the overt demoralization taking place in schools and media actively destroying our American Christian Heritage and highest laws and liberties thereby, besides enemy infiltration at highest levels of government and within our borders (<https://www.facebook.com/notes/michael-swenson/what-is-happening-to-america/573663929379237>), besides the latest technologies and military tactics being used against us all to enslave us <https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722> and all due to the personal evil, greed and corruption at the highest levels selling us all out and oppressing us <https://www.facebook.com/notes/michael-swenson/treatise-on-greed-and-corruption/517410181671279>) IT IS ABSOLUTELY CLEAR THAT THESE WICKED IDEOLOGIES (fictional evolutionary constructs combined with communism, socialism, fascism, marxism ALL state FORCED INDOCTRINATION) is ALREADY FOLLOWING THE EXACT STEPS THAT LED TO MASS MILLIONS OF DEATHS IN GERMANY, RUSSIA, CHINA (the other members of the UN "security council") PEOPLE! WAKE UP!!!!!!!

Nazis and Communists ALSO FIRED and ARRESTED the educators; to replace them with their state sponsored indoctrinators!

Dr. Kent Hovind was asked by a naive individual why he was facing off against this evil brainwashing; a young student who simply couldn't comprehend the fact that Christians are already fighting for not just our freedoms but our lives as a result! <https://www.youtube.com/watch?v=ED32UZT06sc> Dr. Hovind is still in prison today! https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=Kent+Hovind+still+in+prison and <http://www.pnj.com/story/news/2014/11/08/dr-dino-facing-new-legal-woes/18730293/> this is overt persecution by satanists wielding their greedy arm of perverted so called justice. The federal reserve and the oppressive arm they control the IRS has imposed tribute to themselves in the form of taxing income, a right not granted or afforded them at all and in fact Americans fought for independence from such overt oppression by the wealthy against the poor. The Constitution as our nation was founded DOES NOT AUTHORIZE these wicked persons in the Federal Reserve and IRS oppressors to operate! It is only by infiltration and acts of treason that these criminal organizations exist at all! And so the satanic families wield their might by oppressing the masses and especially those who expose their criminal activities like Kent Hovind has done. (subjugating the masses by brainwashing them in forced public indoctrination - <https://www.facebook.com/notes/michael-svenson/brainwashing/643617432383886>), and creating fictitious "laws" that are factually unenforceable under our Constitution, but until Americans find the desire for freedom that our founding fathers had, these wicked people will continue to get away with their evil oppression and arbitrary "justice" that they selectively use to silence any and all opponents in a so called free civilization.

<https://www.facebook.com/notes/heather-ritz/scientists-and-professors-who-have-faced-ostracization-persecution-andor-discrim/758604884184284>

PUT THE SHOE ON THE OTHER FOOT! HOW WOULD evolutionists FEEL IF THEY WERE THE ONES LOSING THEIR CAREERS; THAT THEY HAD SPENT ALL THEIR EARNINGS AND LIFE TO DEVELOP SUCH SKILLS FOR, THEIR ABILITY TO EARN A LIVING, THEIR ABILITY TO SURVIVE, AND WERE ACTIVELY BEING PERSECUTED SIMPLY FOR WHAT THEY BELIEVE AS TRUE KNOWLEDGE! LOOK AT HOW MANY EDUCATORS AND SCIENTISTS HAVE LOST THEIR JOBS OVER THIS! IT IS VERY SERIOUS!

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=SCIENTISTS+ARE+LOSING+THEIR+JOBS+OVER+CREATIONISM - not just educators but other professionals are being fired over this issue!

BUT it is worse than this, Christians are being sued for simply adhering to our beliefs and some are ending up in jail or prison over them ALREADY! (this is exactly how the previous holocausts began)

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=Preachers%20in%20America%20are%20going%20to%20jail%20because%20of%20liberal%20homosexuals - HOW DID WE GO FROM SODOMY LAWS AND THE RIGHTEOUS MINDSET OF OUR FOUNDING FATHERS, TO HAVING PEOPLE THAT COMPLETELY IGNORE THE HIGHEST LAWS OF OUR LAND? <http://sonsoflibertymedia.com/2014/10/founding-fathers-believed-homosexuality/> you guessed it! BRAINWASHING in schools and media! CORRUPTION in the highest levels!

<https://www.facebook.com/notes/michael-swenson/americans-and-citizens-of-the-world-freedom-and-life-comes-from-god/748905988521696>

BUT you STILL say I am taking this too far to say evolutionary brainwashing in public education is to blame for the rise of concentration camps in America; complete with rail cars fitted with shackles and tracks that lead straight to the camps now being manned and operated.

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=passenger%20cars%20with%20shackles%20in%20America%20lead%20straight%20to%20fema%20camps

But WHEN IT IS FOLLOWING THE EXACT SAME PROCEDURES HERE IN AMERICA and people are STILL thinking all of us who are sounding the alarm are nothing more than "conspiracy theorists" or that we are making too big an issue out of this; by telling you all to arm yourselves immediately, SUE ANY AND EVERY TIME the state or anyone steps on your liberties, and FIGHT BACK against these most wicked and SCIENTIFICALLY INSUPPORTABLE worldviews BY UNITING EVERYWHERE AND DEMANDING THIS EVIL crap BE REMOVED IMMEDIATELY FROM PUBLIC EDUCATION, DEMAND THOSE WHO HAVE BEEN FIRED OVER THIS ISSUE BE COMPESATED AND DEMAND THOSE WHO HAVE BEEN INCARCERATED BECAUSE OF THESE EVIL IDEOLOGIES, BE RELEASED IMMEDIATELY! (turning your eyes away from what is happening or remaining silent is EXACTLY what allowed mass millions of innocent persons to be slaughtered ALL OVER THE WORLD!)

So understand WHY we are standing boldly against this great wickedness and deception! WE SEE CLEARLY IT IS A MATTER OF NOT JUST FREEDOM, BUT LIFE AND DEATH! PLEASE TAKE THE TIME TO VIEW THE EVIDENCE! **evolutionary theory as it is forced upon the masses today does NOT qualify as science! IT DOESN'T EVEN QUALIFY AS SCIENCE FICTION!** AND IT IS PROVABLY VERY DANGEROUS, VERY EVIL, AND VERY DESTRUCTIVE!

I call for the immediate release of the Brave American Patriot and Defender of Truth, Dr. Kent Hovind IMMEDIATELY (and all like him), and I call for the arrests of all those involved in his unjust

persecution!!! IT IS HIGHLY IMPROPER OF THE STATE or ANY "officials" to use their conspiratorial powers in order to single citizens out for expressing their righteous and scientifically supported beliefs; against their now vast set of laws that are so large and numerous that virtually EVERYONE has violated something in them (ENTIRE WAREHOUSES OF OPPRESSIVE AND UNJUST LAWS HAVE BEEN CREATED BY THE WICKED AND CORRUPT, BRIBE TAKING POLITICIANS; SO THEY CAN LOCK UP ANYONE AT ANY TIME; BECAUSE NO ONE CAN EVEN READ THEM ALL; LET ALONE KEEP EVERY PARTICULAR!)

Evolutionists and the resulting atheists from the forced indoctrination of evolutionary constructs in public education laugh at, and sneer in derision at Creationists, claiming that Creationists do not base their worldview on evidence or reason; while they do. (They imagine themselves to be the intelligent ones; while they simultaneously imagine Creationists to be stupid, dumb, ignorant people who only have come to their conclusions by blind faith). Let's examine the FACTS in that regard.

When I say brainwashing is evident in these people clearly by what they say. Things like "but we observe evolution every day!" That connotation of "evolution" that they are talking about has been distilled down to "change over time". THE ENTIRE UNIVERSE IS IN MOTION! SO OF COURSE IT IS ALL CHANGING! (with the exception of the Character of our Eternal Creator) EVERYTHING WE OBSERVE IS UNIQUE! - it's ALL different!; so to say because everything is unique and moving; thereby changing; and to then take that observation and use it as the definition to claim a bacteria morphed into billions of species; including our multi-trillion celled selves is NOT scientific; but PURE IMAGINATION. So you ask them for examples, there are none but they will say bacteria! bacteria have become resistant in recent history! And they go on to say things like "we have observed viruses that ADD beneficial DNA information to bacteria that make them MORE complex than they were before." Ask them, "who is 'we'?" Who do you know owns and has access to electron microscopes and biological microscopes powerful enough to OBSERVE "viruses" and OBSERVE them SO CLOSELY AND THOROUGHLY that they can SEE the virus imparting the DNA that supposedly wasn't in the bacteria previously? This is what I mean by "brainwashed". They idolize "science" and "scientists" SO MUCH that they will REPEAT ANYTHING THEY ARE TOLD; AND EVEN CLAIM THEY SAW IT THEMSELVES by using the all inclusive "we observed"; when they did NOTHING OF THE KIND! (Are LIARS, or self-deluded, or deceived persons). But they pull that rubbish out of their wild imaginations DESPERATELY to avoid the TRUTH of Intelligent Design. Let's say that they actually have documented a DNA strand that wasn't DAMAGED by a virus, (every virus the rest of us on planet earth have encountered are BAD NEWS, make us sick, destroy working computers, etc. BUT THESE PEOPLE want ALL THE REST OF US TO TAKE THEIR WORD THAT THEY ACTUALLY SAW a virus changing DNA (the very defining information and NOT only changing it, but actually changed it into MORE working and competent COMPLEXITY). Ask yourselves how many of you think all these people saying they have observed this are telling the truth? We all have access to the worldwide database and I have seen NO EVIDENCE WHATSOEVER proving this nonsense. Furthermore, then ask yourselves, that were this actually true, WHICH IS MORE REASONABLE TO BELIEVE? that viruses causing death and illnesses to organisms ubiquitously have suddenly become the cause of

beneficial added information in DNA sequencing, OR that they are only DESPERATELY CLAIMING SUCH DUE TO A COMPLETE AND TOTAL LACK OF OBSERVABLE EVIDENCE for Darwinism that they try in vain to support with ridiculous claims like this. Which is more likely? that in an era of biological engineering and genetic modification, we are seeing resistant strains, because the powers that be have been intentionally creating biological weapons OR that previously eradicated diseases have suddenly done what they never did in the past? LOOK AT THE ACTUAL EVIDENCE - biological warfare by eugenic fascists against the masses AS THEY HAVE PATENTED THEIR DESIGNS!! -

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=patent%20of%20ebola

<http://www.google.com/patents/US4647773>

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=modern%20biological%20weapons

With the advent of DNA sequencing and genetic modification on top of proven depopulation agendas, suddenly finding disease resistant strains is NOT grounds to support the nonsense of evolution, but grounds to convict the criminals attacking the general population on earth! -

https://www.google.com/search?q=Depopulation&rlz=1C1GIGM_enUS535US535&oq=Depopulation&gs=chrome..69i57j69i60j69i65&sourceid=chrome&es_sm=0&ie=UTF-8 - of course the propagandists

are going to deny what they are doing BECAUSE IT IS OPEN GENOCIDE AGAINST HUMANITY; but LOOK AT THE OVERWHELMING EVIDENCE! - <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> (or would you rather watch yourself and the world die off while you desperately cling to your delusory theories of fictional evolutionary constructs) VARIATIONS WITHIN canines, felines, bovines, etc. occurs; yes, even in bacteria. Our Creator equipped living organisms with defense mechanisms to fight off foreign invaders, including harmful viruses! In humans we have identifier cells among our leukocytes and killer cells, so we actually have DNA programming that is SO SMART it is provably SELF-LEARNING, to ward off diseases and is the real reason for the massive rise in food allergies in recent history. (Our immune system is rejecting all the GMO food products in our stores now - evidence shows those allergies virtually instantaneously disappear when eating the food our Creator designed! -

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=food%20allergies%20went%20away%20as%20soon%20as%20we%20stopped%20eating%20GMOs

So when you can see the EVIL people have poisoned our food, genetically modified our food, patented diseases in order to create biological weapons of mass death and destruction, poisoning our water, air and hygiene products, inoculations and medications and STILL prefer to believe in your ridiculous evolutionary constructs of thinking the universe came from nothing and elements, energy and mass magically appeared without one shred of rational explanation, and life came from nonlife when it has been proven by the world's leading scientists to be IMPOSSIBLE:

Fred Hoyle and his colleague Chandra Wickramasinghe calculated the odds that all the functional proteins necessary for life might form in one place by random events. They came up with one chance in 10 to the 40,000th power (that's 1 with 40,000 zeros after it). Since there are only about 10 to the 80th power subatomic particles in the entire visible universe, the physicists concluded that this was "an outrageously small probability that could not be faced even if the whole universe consisted of organic soup."—SHOW ME GOD, by Fred Heeren.

(more quotes from the research of scientists, nobel prize winning scientists, widely considered as the most intelligent and powerful persons in history, discoverers of the longest lasting scientific laws, the very founders of the modern fields of scientific disciplines! : <https://www.facebook.com/notes/michael-swenson/fathers-of-the-sciences-and-great-scientific-minds-in-their-own-words/567609163318047>)

BUT even if microscopic bacteria also have a programmed defense mechanism to survive foreign invaders, toxins, etc. and thereby develop stronger immunities against such attack on those living organisms; THAT WOULD ONLY BE CONSISTENT with Intelligent Design NOT EVOLUTION! Consider the fact that our Creator warned us when we depart from Him and His Instruction then one of the curses would be that diseases would be multiplied upon us (even if the cause is genetic modification, biological weapons, the prophecy is fulfilled BECAUSE GOD merely states such things would come to pass! In other words, when people depart from Him they become so wicked and evil that they conceive of methods of genocides) So the presence of disease death and destruction proportionately increasing in America and the world correlates with His warning; NOT evolution! (people say I am making a mistake between cause and correlation because as I have pointed out they have already been brainwashed into a defense mechanism preventing them from acknowledging what is true.) WHEN THE ABUNDANCE OF FACTS SUPPORT THE BIBLICAL ACCOUNT and not the fictional paradigm of evolutionary imaginations OVERWHELMINGLY; then it is not I who am in error; it is those who look at the universe and all that is happening in the world and can even SEE verse by verse explanation for it all and STILL not recognize the Cause. (they are factually brainwashed) READ ON TO SEE THE LISTS OF EMPIRICAL EVIDENCE THAT SUPPORTS THE BIBLICAL ACCOUNT!

When you IGNORE REALITY AND THE MOST APPARENT AND REASONABLE EXPLANATIONS FOR WHAT WE OBSERVE, then the overwhelming EVIDENCE is that you are BRAINWASHED, delusionary, deceived, INCAPABLE of facing REALITY! (The evil brainwashers have succeeded in eliminating your ability to discern what is true or not; they have destroyed your critical thinking skills; just like the experts plainly state: <https://www.youtube.com/watch?v=kJKJM36IMTE#t=1098> They have INTENTIONALLY placed their professors in public education institutions and filed suits with corrupt judges to remove the Holy Bible and even the mention of God from public education in order to accomplish this; as I have already stated above and as history records.

Nothing about darwinian evolutionary theory or the entire evolutionary popular constructs from the origin of our universe to all their irrational explanations along the way; as are being forced upon mass millions today, are scientific in any way; other than showing how effective mass brainwashing is upon developing minds.

The current fictional paradigm ("from goo to you by way of the zoo" - <https://www.youtube.com/watch?v=2v5nAYU2GD0>); forced upon innocent children in the name of science universally contains scientifically insupportable information. In other words, from the foundation of evolutionary constructs; throughout all the published lies, deceptions and nonsense, science shows plainly that it is all pure fiction.

Science is not just the ways we pursue knowledge, it is knowledge. The Scientific Principle describes the processes or methods whereby knowledge is acquired. That body of knowledge, by the agreement of many, has become the many fields of science today. So Science is Observable, Testable, and Repeatable; ideally, but should AT LEAST meet the OBSERVABLE criterion. Is the evolutionary teachings, the popular paradigm forced on mass millions of innocent children today; of cosmology, the origin of our universe, observable? Is it testable? Is it Repeatable? NO! NO! NO! It is therefore NOT science or scientific in any way! (Absolutely should NOT be taught as such!) How about chemical evolution as it is forced on children today? Do you know of ANYONE who has rationally explained where energy came from, how the variations of energy and matter came into existence, or has taken quarks and formed the entire list of elements in the periodic table? No? I do; our CREATOR, but not one "scientist" or the entire sum of them in all recorded history has! Therefore, WHAT IS BEING TAUGHT in the Name of Science to mass millions of innocent children regarding the origin of our universe (the explanation for what we do observe) does NOT qualify as science; NOR does the very next stage in the evolutionary constructs pass the test of "observable, testable, repeatable" in order to acquire knowledge. In other words, the first two stages of evolutionary theory both in cosmology and in any attempt to explain even the existence of elements as is widely taught DOES NOT fall within the definition of science!

Moving on to stellar evolution. I meet people online these days who CLAIM to have observed the "formation of stars", the "birth of stars", even the formation of whole galaxies! (<https://herschel.jpl.nasa.gov/stars.shtml>) We now have access via the Internet to the largest database of information in the history of the world and yet, NOT ONE video or even time lapse series has been posted SHOWING such formation of stars and galaxies (I'm NOT talking about animations or unsubstantiated claims, I'm specifically looking for the ACTUAL PROOF that they have FACTUALLY OBSERVED stars and galaxies forming; that so many CLAIM! Even though I am fully aware of the brainwashing techniques being used on these people through public education and media, I am still shocked at how many of these young people make actual statements like "we have observed" when they observed NOTHING OF THE KIND but are regurgitating something they were taught; without

question! (i.e. cosmic evolution as it is taught today does NOT meet the criterion of "science" or the scientific principle; nor does chemical evolution as it is taught today, and neither, DESPITE ALL THE HYPE OF THOSE WHO ADAMANTLY INSIST OTHERWISE, has anyone ever actually observed the formation of a star, stars, let alone one or more whole galaxies (except our Creator and to whomever He has personally shown such things to). So far the premises, constructs, and conclusions of evolutionary theory in public indoctrination institutions today are clearly teaching FICTION, pure imaginations, in the name of science!

DATING DONE BY EVOLUTIONIST BUT IT C-14 FOUND IN COAL? IMPOSSIBLE!
COAL IS SUPPOSED TO BE 300 MILLIONS YEARS OLD & IN CARBONIFEROUS AGE.

THE PROBLEM IS ADMITTED BY TALK ORIGIN A LARGE ATHEIST SITE.
 THE PROCEDURE TALK ORIGIN, A LARGE ATHEIST SITE EXPLAINING THE CREDIBLE SCIENCE ?

Radiometric dating technique, is in some cases finding trace amounts of radioactive carbon-14 in coal deposits, amounts that seem to indicate an age of around 40,000 years. Though this result is still too old to fit into any young-earth creationist chronology, it would also seem to represent a problem for the established geologic timescale, as conventional thought holds that coal deposits were largely if not entirely formed during the Carboniferous period approximately 300 million years ago. <http://www.talkorigins.org/taos/c14.html>

.....¹⁴C in coal is probably produced....Research is ongoing at this very moment.....The fungi/bacteria hypothesismay also be plausible....probably onlyit is not clearthey may contribute to ¹³C.)

Darwinoids who wish to discredit creationists — who often know more about the science than the evolutionists.

In the image at the top, two items were used in the greatly-misrepresented and badly-conducted Scopes trial: Nebraska Man and Piltdown Man (although, apparently, not as "star witnesses"). First, Nebraska Man. An entire mural was made up of Nebraska "Cornhusker" Man, Mrs. Nebraska Man, critters they lived with, the landscape they lived in, and more. The whole thing was constructed from a single tooth. Were people that gullible, and interested in what "scientists say", that they wouldn't ask for more evidence? (Some scientists did reject it, to their credit.) Later, the tooth turned out to be that of an extinct pig!"

Caves and fissures on the Gulf of California island of San Juan contain fossilized bones of mammoths, horses, monkeys, elephants, and whales all together. The bones are unweathered and un-preserved.

At Agate Fossil Beds National Monument in Nebraska, a layer of bones was described by paleontologist Kirk Johnson as being so dense "that several museums showed up and chiseled out square chunks, just like cutting brownies out of a pan."¹⁰⁹ Johnson relates that at Como Bluff, Wyoming, one of the first major dinosaur bone excavation sites in the US, fossilized dinosaur bones were so numerous that a local shepherd inadvertently built a cabin out of them.¹⁰⁸

3 PROBLEMS WITH RADIO METRIC DATING

1. the system being dated is a closed system; to prevent contamination.
2. at the beginning of the time period, there are no daughter isotopes present;
3. and the rate of radioactive decay stays the same through the whole time period.
(Uniformitarianism).

Without a closed system, uranium-lead dating, like all other radiometric dating methods, falls apart, because this ASSUMES nothing on the outside of the rock affected the sample, or that none of the parent or daughter isotope leaked in or out.....

"Evolutionary theory teaches the ancestors of gorillas interbred with the ancestors of humans and chimps, and human ancestors and chimpanzee ancestors interbred, with humans descending from the hybrid population. The Bible clearly forbids humans interbreeding with animals, saying it's a perversion [distortion or corruption of the original course, meaning, or state of something]. How do Theistic evolutionists reconcile this?

The ancestors of gorillas supposedly interbred with the ancestors of humans and chimps: <http://www.newscientist.com/.../bonobo-genome-hints-at...> Chimpanzee and human ancestors supposedly interbred: <http://www.nature.com/.../060515/full/news060515-10.html> "Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion." ~ Leviticus 18.23 (KJV)

The word "confusion" [Hebrew word: tebel], means perversion, unnatural bestiality; the violation of nature, or the divine order. The word "perversion", means distortion or corruption of the original course, meaning, or state of something, sexual behaviour that is considered abnormal and unacceptable.

Some other translations: "And you shall not lie with any animal and so make yourself unclean with it, neither shall any woman give herself to an animal to lie with it: it is perversion." ~ Leviticus 18.23 (ESV)

That is perverse." ~ Leviticus 18.23 (MSG) " Also you shall not have intercourse with any animal to be defiled with it, nor shall any woman stand before an animal to [a]mate with it; it is a perversion." ~

Leviticus 18.23 (NASB) "Do not have sexual relations with an animal and defile yourself with it. A woman must not present herself to an animal to have sexual relations with it; that is a perversion." ~

Leviticus 18.23 (NIV) "Nor shall you mate with any animal, to defile yourself with it. Nor shall any woman stand before an animal to mate with it. It is perversion." ~ Leviticus 18.23 (NKJV)"

Human chromosomes are not the same as chimpanzee chromosomes, they are only similar, therefore they aren't evidence that they were passed down through inheritance. There are differences in the chromosomal banding patterns and the number of chromosomes, Humans have 46 chromosomes whereas Chimpanzees have 48.

The supposedly "fusion" isn't evidence that we share a common ancestor with the chimpanzee. If it is a fusion, all it would show is that at some point humans experienced a chromosomal fusion event, and wouldn't be evidence of whether we lead back to a common ancestor with chimpanzees, nor would it be evidence that the earliest humans were more ape-like.

If we had 48 we would still be completely different from chimpanzees. There are people who have fused chromosomes now, with 44 chromosomes instead of the usual 46, yet they are still human and are no different than those who don't. "Most Robertsonian translocation carriers are healthy and have a normal lifespan." (Case Report: Potential Speciation in Humans Involving Robertsonian Translocations, Biomedical Research; 24 (1): 171-174, November 29 2012)

http://biomedres.info/.../as.../docs/171-174-Bo_Wang.1584046.pdf

If it is a fusion, the event would be "Human specific" and would demonstrate ZERO evidence of

"Random Evolution" from a primate ancestor. Great evidence for Neo-Darwinian evolution would be a fusion that occurred in all great apes and man to show how much we have in common with great apes. Not exactly sure how "Only humans have this" supports a common ancestor with apes.

"the [supposedly] fusion must have occurred after the human–chimpanzee split, but before modern humans spread around the world..." (Genomic Structure and Evolution of the Ancestral Chromosome Fusion Site in 2q13–2q14.1 and Paralogous Regions on Other Human Chromosomes, Nov 12, 2002) <http://www.ncbi.nlm.nih.gov/pmc/articles/PMC187548/>

^^ They even say the supposedly event would've been "Human specific". The above paper asks the question "If the fusion occurred within the telomeric repeat arrays less than ~6 Mya, why are the arrays at the fusion site so degenerate?" They then use ad-hoc rationalizations to answer this question, however this would lead me to think that it isn't a fusion after all.

On a side note, notice how in the above paper they also use ad-hoc rationalizations when there's other contradictory evidence, such as, "Given the generally accepted hominid lineage (Chen and Li 2001), either orangutan and gorilla independently acquired copies of portions of the RP11–432G15 sequence at these locations, or homologous sequence was deposited at these sites before hominids diverged and then was lost in the ancestor of human and chimpanzee. One interstitial and 26 subtelomeric integration sites are unique to gorilla, indicating that a burst of duplications also occurred along the gorilla-specific branch [etc]."

Updated info (7.02.15): It has been proposed for many decades that a fusion of two chromosomes into one would be found. Then geneticists thought they found it, and have been telling us it is proof of evolution for more than 20 years. But recently it is found that this proposed "fusion" is within an active gene. Disproving the fusion idea completely.

You can see for yourself that the fusion site is within a pseudogene called DDX11L2 [" This gene has three primary exons transcribed in the direction of telomere to centromere. It serves several regulatory functions making it a highly expressed and highly complicated gene and one not found in apes"]. You can't make a gene by wrecking two chromosomes together. So fusion is disproven.

Here is the exact spot on the genome viewer:

There are nine other major chromosomal differences between chimpanzees and humans on chromosomes 1, 4, 5, 9, 12, 15, 16, 17, and 18.

The genes and markers on chromosomes 4, 9, and 12 are not in the same order in the human and chimpanzee. (Ann Gibbons, “Which of Our Genes Make Us Human?” Science 281, 1998)

<http://www.sciencemag.org/content/281/5382/1432>

Chromosome 22 may look very similar, however "the International Chimpanzee Chromosome 22 Consortium reports that 83% of chimpanzee chromosome 22 proteins are different from their human counterparts. ...The difference is "much more complicated than we initially imagined or speculated. ...The results reported this week showed that “83% of the genes [are different] between the human and the chimpanzee—only 17% are identical—so that means that the impression that comes from the 1.2% [sequence] difference is [misleading]. In the case of protein structures, it has a big effect,” Sakaki said." (Chimps are not like humans, May 27, 2004)

<http://cmbi.bjmu.edu.cn/news/0405/119.htm>

"In this study, we sequenced the coding and regulatory regions of 127 known genes on human chromosome 21 in DNA samples from human and chimpanzees and a part of the corresponding genes from orangutan, gorilla, and macaque. Overall, 3,003 nucleotide differences between human and chimpanzee were identified over 2400 kb." (Divergence of the genes on human chromosome 21 between human and other hominoids and variation of substitution rates among transcription units, May 5, 2003)

<http://www.pnas.org/content/100/14/8331.full.pdf>

Only 69% of the chimpanzee X chromosome is similar to the human X chromosome.

Only 43% of the chimpanzee Y chromosome is similar to the human Y chromosome. The Y chromosome has a different size and many markings that do not match. - As far as looking at specific genes, the chimp and human Y chromosomes had a dramatic difference in gene content of approx 53%. In other words, the chimp was lacking approximately half of the genes found on a human Y chromosome. They found a 33% difference in actual gene categories. The human Y chromosome contains a third more gene categories--entirely different classes of genes--compared to chimps. “By comparing the MSYs of the two species we show that they differ radically in sequence structure and gene content,.. The chimpanzee MSY contains twice as many massive palindromes as the human MSY,” (Chimpanzee and human Y chromosomes are remarkably divergent in structure and gene content, 13 January 2010)

• [Michael Swenson](#) per Anthony Jan Yap "1. Fossils are tangible. It can give us an idea if evolution ever took place. But does the fossil record shows evolution? Absolutely not. From Charles Darwin, to S. Gould, to Richard Dawkins, they all admit that the fossil record does not show any signs of evolution. Only the lay evolutionists who knows nothing about the matter believes that the fossil record proves evolution. In fact, if you read Charles Darwin's book, you will find that his greatest problem with his theory is the fossil record because it speaks AGAINST evolution. Read Darwin's book so you will get an idea.

But let me give a sample:

"It is as though they [fossils] were just planted there, without any evolutionary history. Needless to say this appearance of sudden planting has delighted creationists. ...Both schools of thought (Punctuacionists and Gradualists) despise so-called scientific creationists equally, and both agree that THE MAJOR GAPS ARE REAL, that they are true imperfections in the fossil record. The only alternative explanation of the sudden appearance of so many complex animal types in the Cambrian era is divine creation and both reject this alternative." - Richard Dawkins, *The Blind Watchmaker*, pp. 229-230, emphasis are mine

Now I don't care what "special pleading" (a fallacy, pathetic excuse) that Richard Dawkins made after he said those things (he even admitted in that same book that he is doing a special pleading fallacy). The fact is he admits the reality that the fossil record speaks highly AGAINST evolution.

2. Genetics is observable indeed. But does it show evolution? NO. A big fat NO. In fact, it also speaks highly AGAINST evolution. Our genes are DETERIORATING negatively, not evolving at all. To evolve a frog into a reptile requires addition of NEW functional and purposeful information in the DNA such as the programming for the positioning of all the scales, new organs, and so on. This is impossible to achieve by deteriorating the genome or by chance. It is the same with hoping that a WindowsXP operating system would turn into a Windows8 operating system via natural data loss and copying errors in the hard drive (assuming that you keep on copying the hard drive and destroying the original to simulate a realistic living population). Yet the programming for DNA (even for just the eye) is far, far too complex than a Windows8 software. But what will you get from that hard drive if you extrapolate forward? You will get a dead software that will not even boot up and that's what will happen to us in the future. So therefore, genetics is the most powerful evidence that Evolution is not happening today nor even possible.

3. Geology and Archaeology you said? Dinosaur fossils are found with soft-tissues (meat), blood, osteocytes, and even some remnants of DNA. Furthermore, they still contain Carbon14 (detectable half-life of only 90,000 years max) inside. These things don't even last a million years, especially if they are just laying there in the dirt. Carbondating shows that dinosaurs are only around 10,000 to 50,000 years old. That's a mortal blow to the theory of evolution. And all the evolution scientists could offer as an excuse is that fraudulent Iron Preservation (by Mary Schweitzer et al). It was found that they lied, there was no iron on so many samples (they just cropped those images of areas with iron). Even if there was, it can't even preserve the proteins for millions of years. It was a hastily made-up excuse to silence the lay evolutionists who would just accept any explanation, no matter how stupid it is, just to defend their precious Evolution. I don't care what the textbooks says. They are all relying on assumptions. But this right here is empirical evidence that trumps all evolutionary assumptions of millions of years.

In light of those very solid evidences, it is clear that Evolution did not happen in the past (fossil record), is not happening now (genetic deterioration), and will never even happen (genetic complexity).

But I know evolutionists won't understand these things because evolutionists cling to imaginary evidences that don't even exist or on fraudulent evidences that they deliberately made while Creationists rely on honest empirical science. Evolutionists are science deniers. "

The FACTS are that large, small, big, tall, humans and all species have variations. Variations that are so noticeable, evolutionists dig up the bones and CLAIM proof of evolution; rather than what we fundamentally observe which is that there are significant variations in all species with no indication of those variations leading to macroevolution at all; rather only to deterioration and extinction.

Heather Ritz

Human Variation

"Overall, the dome of the Asian skull is round and the face is flat. 2 Although the Caucasian skull is a bit longer (top to bottom), it is very similar to the Asian skull,...

Figure 9-3 shows a male African-American skull. 3 Although this skull is described as being of an African-American, it has many African features. (The drawing of the "Negro" skull in Figure 9-9 may better epitomize the Congoid skull.)

The African skull is quite different from the Asian and Caucasian skulls, indicating a much greater genetic distance between Eurasians and Africans than between Europeans and Asians. Compared to Asian and Caucasian skulls, the African skull is narrower.

The bones of the skull (and the rest of the body) are denser and thicker. The eye sockets are rounder and proportionately larger and the distance between them is greater. The slight bump at the top of the head suggests a "sagittal keel," a ridge along the top of the head from the forehead to the back of the skull for attaching chewing muscles and strengthening the skull from blows received in fighting. 4 The opening for the nose is wider, the nose bones protrude less, and the teeth more massive, with the incisors meeting at an angle (also see Figure 26-11).

The most noticeable difference, however, is the protruding jaw, a condition known as "prognathism," ... The considerable gap between the cheekbones ("zygomatic arches") and the indentation on the sides behind the eye sockets ("post-orbital constriction") indicate that the more massive jaw was serviced by powerful chewing muscles that passed through the gap. Figures 9-4 and 9-5 provide a side-by-side comparison of the skulls of an African of the Manbettu tribe in the northern Congo basin and an Englishman. 5 The African skull has less prominent nose bones and chin, a deeper jaw and the bone that supports the jaw (the "ascending ramus") is wider; the shape of the skulls is also different. .. The African skulls are very different from the skulls of all the other populations, even the Australian aborigines.

Figure 9-9 show a Negro skull profile superimposed upon a European skull profile. 9) The Negro skull is smaller, with less space in the forehead, but proportionately more at the back. (Hunt, 1864, p. 8). ...6)

The occipital bun (Figure 9-12) 11 is a bulge at the back of the skull, where the brain processes visual information. Georgicus, antecessor, Peking man (Figure 17-7b), Junniushan (Figure 17-9), and the Neanderthals had occipital buns and Heidi, too, may have had it. "They [occipital buns] do however occur fairly often among Australids [Australian aboriginal people], Khoisanids [Hottentots, Bushmen - see Chap. 26], and Lappids [Lapps (Sami) in Finland], and, interestingly, among inhabitants of Lancashire, UK." 12 Although the purpose of the occipital bun is not clear, it is associated most with the Neanderthals. Some African skulls are also characterized by a "dent" ("post bregmatic depression") in the top of the skull visible from the side. (Figure 9-13). 13 This "dent" is also seen the Hobbit skull, Figure 17-11 and some erectus skulls; note that even the otherwise-modern English skull in Figure 9-5 has a dent... (Coqueugniot, 2004; Figure 14-2) ...(11) East Asians have the roundest eye sockets and Australian aborigines have the most rectangular.18 Neanderthal orbits are also round (Fig. 2-6 & 2-7) but African and European orbits are square or rectangular; European orbits slope more." (Chapter 9 - Hard Tissue)

"[T]he browridges of early *H. sapiens* are fairly large, but differ in shape from those of *H. neanderthalensis* and *H. heidelbergensis*. The face of *Homo sapiens* is much smaller than those of earlier hominin species. In addition the face is "tucked under" the braincase—i.e., the face is located entirely below (rather than in front of) the front part of the brain." (*Homo Sapiens*, [becominghuman.org](http://www.becominghuman.org))

<http://www.becominghuman.org/node/homo-sapiens-0>

"*Homo heidelbergensis* was probably a lot more human than we thought. We have this idea that only modern humans have been innovative enough to keep coming up with ideas for technological progress while other early humans discovered things once and then continued to make them the same way afterwards. This study shows that there probably wasn't much difference between them and us."

(Prehistoric humans were far smarter than previously assumed, October 15, 2014)

"Balter is not claiming that no skulls of this creature existed: there are, after all, "11 potential *H. heidelbergensis* skulls" that Heidelberg defender Philip Rightmire of Harvard examined. At issue is whether a suite of characteristics can be defined for a single species, given all the diversity in human skulls in the record, and whether that species shows a transition between *Homo erectus* and later alleged ancestors." (Good-bye Heidelberg Man: You Never Existed)

<http://crev.info/2014/07/heidelberg-man-never-existed/>

"[*Homo sapiens*] co-existed for a long time in Europe and the Middle East with the Neanderthals, and possibly with *Homo erectus* in Asia and *Homo floresiensis* in Indonesia, but are now the only surviving human species." (*Homo sapiens – modern humans*) <http://australianmuseum.net.au/Homo-sapiens-modern.../>...

They co-existed!!! Which means just as there are variations today, they are just variations of humans.

"They may have had heavier brows or broader noses or stockier builds, but behaviorally, socially and reproductively they were all just people." (Michael D. Lemonick, "A Bit of Neanderthal in Us All?," *Time Magazine* (April 25, 1999).)

<http://www.time.com/t.../magazine/article/0,9171,23543,00.html>

Neanderthal DNA falls within the range of human variation. "The majority of the Neandertal divergences overlap with those of the humans (Fig. 3), reflecting the fact that Neandertals fall inside the variation of present-day humans." (A Draft Sequence of the Neandertal Genome, May 2010, *sciencemag*)

<http://www.sciencemag.org/content/328/5979/710.full>

"We found that the mtDNA sites where Neandertals differed from modern man tended to be at mutational hotspots—sites where many modern humans also differ. In addition, at the sites where Neandertals differed from each other, one of them would match the modern human." (Dr. David DeWitt, Neuroscientist and Biologist)

It's epigenetics that may explain the differences. Neanderthals weren't an evolving pre-human species, but were fully human with trait variability that was determined by epigenetics [diet, life-style, and

environmental factors]. "Epigenetic differences between humans and their ancient relatives may explain differences in physical traits, or phenotypes, such as the jutting brow ridge of Neanderthals." (How to build a Neanderthal, 17 April 2014)

<http://www.nature.com/ne.../how-to-build-a-neanderthal-1.15063>

It's the environment, and not chance mutations that can directly cause adaptive epigenetic changes. This is a built-in adaptability that allows us to respond to environmental changes, and is not unguided.

But sadly, due to The fall we observe loss. "From the first cell that coalesced in the primordial soup to the magnificent intricacies of Homo sapiens, the evolution of life—as everyone knows—has been one long drive toward greater complexity. The only trouble with what everyone knows...is that there is no evidence it's true." (Lori Oliwenstein, Discover magazine, 1993)

<http://www.icr.org/article/6593/>

"...clever people— on average have slightly bigger brains... ..the fossil record strongly suggests that our brain size peaked at 1,500 cubic centimeters around 20,000 years ago and has since shrunk to 1,350 cc." (Human Evolution Isn't What It Used to Be, May 24, 2012)

<http://online.wsj.com/.../SB100014240527023036105045774185119...>

"John Hawks is in the middle of explaining his research on human evolution when he drops a bombshell. Running down a list of changes that have occurred in our skeleton and skull since the Stone Age, the University of Wisconsin anthropologist nonchalantly adds, "And it's also clear the brain has been shrinking." "Shrinking?" I ask. "I thought it was getting larger." The whole ascent-of-man thing,,,, He rattles off some dismaying numbers: Over the past 20,000 years, the average volume of the human male brain has decreased from 1,500 cubic centimeters to 1,350 cc, losing a chunk the size of a tennis ball. The female brain has shrunk by about the same proportion. "I'd call that major downsizing in an evolutionary eyeblink," he says. "This happened in China, Europe, Africa—everywhere we look." (If Modern Humans Are So Smart, Why Are Our Brains Shrinking? - January 20, 2011)

<http://discovermagazine.com/.../25-modern-humans-smart-why-br...>

"Human intelligence and behavior require optimal functioning of a large number of genes, which requires enormous evolutionary pressures to maintain. A provocative hypothesis published in a recent set of Science and Society pieces published in the Cell Press journal Trends in Genetics suggests that we are losing our intellectual and emotional capabilities because the intricate web of genes endowing us with our brain power is particularly susceptible to mutations and that these mutations are not being selected against in our modern society." (Study suggests humans are slowly but surely losing intellectual and emotional abilities November 12, 2012)

<http://medicalxpress.com/.../2012-11-humans-slowly-surely-int...>

Nearly all human geneticists agree that man is degenerating genetically. The most definitive findings were published in 2010 in the Proceedings of the National Academy of Science by Lynch. That paper indicates human fitness is declining at 3–5% per generation.

<http://www.ncbi.nlm.nih.gov/pubmed/20080596>

"Basically, by demonstrating that the human genome is deteriorating, and always has been since its origin, the theory of human life arising from random, beneficial, and increasingly complex mutations simply can't be true. If we take an honest look at the human genome research, we will discover profound implications about our views of life, and we must conclude that The Primary Axiom is false."

GENETICS STARTS AT THE HAND OF A CHRISTIAN

DOES HE LOOK LIKE AN EVOLUTIONIST TO YOU?

The history of genetics started with the work of the Augustinian friar Gregor Johann Mendel. His work on pea plants, published in 1866, described what came to be known as Mendelian Inheritance. In the centuries before—and for several decades after—Mendel's work, a wide variety of theories of heredity proliferated.

The profound significance of Mendel's work was not recognized until the turn of the 20th century (more than three decades later) with the independent rediscovery of these laws. Erich von Tschermak, Hugo de Vries, Carl Correns, and William Jasper Spillman independently verified several of Mendel's experimental findings, ushering in the modern age of genetics.

Did I miss something here ,whenever an evolutionist asks what Christianity contributed to the world? Hello, this is what Christianity brought to the world amongst many other things. Evolution as an independent science has done nothing for mankind it has to steal from other sciences to demonstrate the good that they think it does. On it's own evolution has done nothing for humanity.

The flightless Cormorant, an example of genetic entropy: "This species qualifies as Vulnerable... Critically Endangered, or even Extinct, owing to potential future threats." (Flightless Cormorant *Phalacrocorax harrisi*)

<http://www.birdlife.org/datazone/speciesfactsheet.php?i3671>

Neo-Darwinists claim the driving force behind evolution is "random mutation", however "beneficial" mutations consistently involve loss of function changes. The flightless cormorant lost the ability to fly due to mutation... "Over time, the muscles required for flying waste away, the breast bone and other bones needed for flying were reduced. Shoulders and breast got smaller and weaker, the wings became tiny winglets. This is due to mutations in the regulation of genes that control growths (pedomorphosis).

The shoulder girdle of the flightless cormorant got stuck in a juvenile state. The same mutations caused an unusually long youth, very fine, down-like feathers on the throat, and a late sexual maturity in comparison to other cormorants." <http://www.amocean.de/.../6-about-flying-and-diving-the-galap...>

The flightless Cormorant lost the ability to fly "by virtue initially of disuse and later of mutations that reduced wing size" (John C. Kricher, Galápagos: A Natural History, pg 106, 2006)

<https://books.google.com.au/books...>

However the flightless Cormorant is a stronger swimmer.

Did they incur mutations that built stronger legs? I can't find any scientific claims of this, so they are likely stronger swimmers due to the fact that the Cormorant uses it's legs more than it's wings, just as you'd observe if a person exercises, the muscle they gain is not evolutionary change.

And, "Right after biking — and probably even rowing or slaloming — your muscle cells make quick epigenetic DNA alterations that epigeneticists previously considered long-lived and often long-to-form. And the amount of change depends on the intensity of exercise." (Exercise & Rapid Muscle Methylation

Changes – Q&A with Romain Barrès, March 14, 2012)

<http://www.nature.com/.../the-role-of-methylation-in-gene-exp...>

"There is increasing evidence that epigenetic modifications are transgenerational (inherited through multiple generations) in a variety of species." (Epigenetics: A Turning Point in Our Understanding of Heredity, January 16, 2012)

<http://blogs.scientificamerican.com/.../epigenetics-a-turnin.../>

"Epigenetics: A Problem for Evolution?"

Until these findings, many evolutionists dismissed the ideas of Charles Darwin's contemporary, Jean-Baptiste Lamarck, who believed that animals could acquire new traits through interactions with their environment and then pass them to the next generation. For instance, he believed giraffes stretching their necks to reach leaves on trees in one generation would cause giraffes in the next generation to have longer necks. Many science textbooks today reject Lamarck's ideas, but epigenetics is a form of Lamarckianism.

...Of course this is contrary to classic Darwinian evolution. The theory of evolution is based on random changes or mutations occurring in DNA. If a change happens to be beneficial, then the organism will survive via natural selection and pass this trait to its descendants.

..Although evolutionists do not deny the reality of epigenetics, its existence is hard to explain! Epigenetic changes are not random; they occur in response to the environment via complex mechanisms already in place to foster these changes.

...These non-random epigenetic changes imply that evolution has a "mind." Creatures appear to have complex mechanisms to make epigenetic changes that allow them to adapt to future environmental challenges. But where did this forward-thinking design come from? Evolution is mindless; it cannot see the future. So how could it evolve mechanisms to prepare for the future?

...God likely designed organisms with epigenetic mechanisms to allow them to change easily and quickly in relation to their environment. These types of changes are much more valuable than random mutation and natural selection because they can produce immediate benefits for offspring without harming the basic information in the actual sequence of DNA." (Epigenetics—Inheriting More Than Genes, February 26, 2013)

<http://www.answersingenesis.org/.../inheriting-more-than-genes>

Mutations typically produce defects, deterioration, loss, disease, etc; whereas epigenetic changes aren't random; they occur in response to the environment through mechanisms that are already in place, as expected in a designed system.

"Among the remains is a wing unearthed in the Gobi Desert in 1987. Compared with the spectacularly preserved dinosaur skeletons in the museum's collections, this tiny wing—its delicate bones jumbled and crushed—is decidedly unglamorous. But it offers a strong hint that a widely held view of bird evolution is wrong." This is one of the racist comments that Darwin made. One of the excuses atheists will try and use is that Darwin was referring to animals, not humans.

So my questions are: Where in Darwin's time can anyone show us where different animals were referred to as races? And can they also list which one's that were civilized and which ones were savage? Also remember that Darwin's book was named "Origin of Species" not Origin of races. And the second part of the title did refer to race making the theory racist and therefore was later removed to cover that up.

[Evolution is a Lie](#)

Evolution is based in racism...

I posted this before but I am posting it again because no atheist responded to this. And the reason is because the pic makes a point that cannot be refuted. So there are 3 question to ask:

- 1) Can the atheist show where in Darwin's time that the word "race" was commonly used to refer to different types of animals?
- 2) Can you name the types of animals consider civilized?
- 3) Can you name the types of animals that were savage?

Not being able to answer these questions shows that atheist are willing to openly lie for evolution and cover up it's real goals which is to exalt one race over another. And to cover up that Darwin and all his friends who helped him with evolution were nothing more than KKK thinking people who would do anything to promote the white above all other races,

Don't believe me? Every scientifically used human evolution chart always ends in white man as the final product and the highest evolved race of humans. Exactly hos was this determined?

Could it be that every person involved inventing this idea were white as well? More silence will only speak more volumes about the truth of all this. ~ Issac

• [Michael Swenson](#) Some astronomers (the "naturalistically" minded) like to claim these days that the stars and galaxies are all just random formations of dust and gas that come together due to gravity; but let us examine the facts. Properties of gas <https://www.youtube.com/watch?v=gez2rmeCpfEhttp://chemed.chem.purdue.edu/.../bp/ch4/properties2.html> Gases have three characteristic properties: (1) they are easy to compress, (2) they expand to fill their containers, and (3) they occupy far more space than the liquids or solids from which they form. Those that leave GOD out of the equation are leaving an aspect that is apparent in everything that we observe - KNOWLEDGE/INFORMATION/DESIGN especially regarding LIFE! The Law of Biogenesis HAS NEVER BEEN REFUTED BY SCIENCE and yet we get posts like this one. Every point in it is fallacious! (goes against science) Note that our Creator tells us <http://biblehub.com/genesis/1-14.htm> that the stars He made serve specific purposes. Certain sectors of so called "naturalists" observe things about our universe and PRETEND like we don't have written explanations for them! (kind of like those who like to CLAIM the Biblical Account came from other ancient civilizations; rather than from GOD, and hence ancient civilizations confirm it all over the world.) or those who dig up artifacts and assign their imagination to it until and unless they get wise enough to read the actual history regarding said artifact

that tells them plainly what it is and what it was used for. astronomers (especially of late) are just tossing out laws of science that have been sound for centuries; if not millenniums. They point to super-massive galactic cores of enormous mass and matter and say LOOK! it's a super-massive black hole! (they point to the OPPOSITE of what they are declaring); their observations and declarations are not just unsound, unscientific, but are 180 degrees what they should be! This is prophesied in the Divinely Inspired Holy Bible as a woe upon those doing so; who are doing so BECAUSE they are putting GOD and the Knowledge of GOD intentionally away from them. 28And just as they did not see fit to acknowledge God any longer, God gave them over to a depraved mind, to do those things which are not proper, (depravity and insanity comes upon those who do not retain a holy union with our Creator, everything they perceive and hence conclude is distorted and in some cases becomes the OPPOSITE in their minds) 20Woe to those who call evil good, and good evil; Who substitute darkness for light and light for darkness; Who substitute bitter for sweet and sweet for bitter! 21Woe to those who are wise in their own eyes And clever in their own sight!... <http://biblehub.com/isaiah/5-20.htm> Notice that most who are teaching such rubbish in the name of science, are starting to hate on Christians more and more, even though Christians were behind the modern scientific explosion and have NEVER opposed true science. Dinosaur Soft Tissue Preserved by Blood?

Publishing in the journal *Proceedings of the Royal Society B*, Mary Schweitzer led a team that showed how *iron atoms* from blood adhere to and preserve blood vessels. The team placed ostrich bone blood vessels in water and watched them disintegrate in less than a week. They then treated another set of ostrich blood vessels with concentrated blood, and the treated blood vessels still looked fresh after two years of sitting on the lab bench.

They postulated that iron generates chemically reactive oxy radicals that help adjacent proteins bond, preserving their overall structure in a process called cross-linking

<https://www.icr.org/article/7855>

While the study does show that iron helps preserve soft tissues, the results fall far short of the authors' claim that this explains soft tissue persisting for millions of years.

- 1- Ancient dinosaur and other fossils did not have the advantage of scientists treating their carcasses with a blood-soup concentrate.
- 2- Researchers have encountered bone cells called osteocytes locked inside dinosaur bones. These cells have fine, threadlike extensions that penetrate the bone's through tiny tunnels called canaliculi. *Could concentrated blood penetrate and preserve those almost inaccessible bone cells?*
- 3- The Royal Society authors kept ostrich vessels in water to watch them rot. Does this resemble the burial conditions of dinosaurs, which are mostly dry today and have been primarily dry perhaps since the day of burial?
- 4- They showed how iron ups resistance to microbes for two years, they did not show that it does so for millions of years.

Michael Swenson all known dating methods are based on assumptions. assumptions about the speed light travels namely in dating distant objects. but consider this if we could travel to the furthest galaxies such that at the furthest reaches of the universe people were scattered abroad and we all light a candle at the very same time; how would anyone in the future know exactly when they were lit simply by observing the light emitted from their own vantage in the universe? IN OTHER WORDS DISTANCE actually has NOTHING to DO WITH TIME in and of itself. WHAT IF ALL MASS WAS ONE ENORMOUS BURNING BALL OF FIRE in the BEGINNING a GIANT MOLTEN MASS SO LARGE it spanned the now scattered bits called galaxies in our universe and INSTEAD of coming together has been not just one big explosion but virtually innumerable ones such that all light and mass permeates the universe and what we now think of as space is nothing more than entropy, the breaking down of once giant cohesion. light then would have simultaneously come into existence and ALL matter as well; but we only THINK some is older due to our vantage of observation. something all naturalists are leaving out of their equations and that is the fact that the universe (reality) is not JUST Supernatural in origin, but Supernatural in essence and Designed specifically to teach us from GOD our Creator to our vantage. However, our vantage only ACCURATELY perceives Creation, when it is done in unity with our Creator. <https://www.youtube.com/watch?v=EUQEMqF5dL8> In other words light appears to "travel" when in fact from the vantage of God light is rather pervasive. photons bump into other photons and objects speeding some up, slowing others down depending on collisions and vectors even causing changes in perceived colors and all of those exist not only supernaturally but even our ability to perceive them is supernatural. Some have called it a giant hologram, others the grand illusion; regardless understanding creation properly can only be accomplished by learning from our Creator. I for one have not been told by Him WHEN He brought all things into existence, and I think those who say the Holy Bible tells us WHEN still need to work at convincing me and others how they come to such conclusion. I am neither YEC or OEC personally; because I have yet to see a date for the BEGINNING anywhere in Holy Writ. So I write and speak about what GOD HAS taught me; rather than what He hasn't. <https://www.facebook.com/notes/michael-swenson/understanding-the-holy-bible-part-1/611082142304082> Does it follow that He which made then from the Beginning is a direct reference to the Beginning of all Time and Space, the Beginning of Creation, or is it a reference to the beginning of the manifestation of mankind on earth? I suppose those who argue for the rather narrow historic, literal interpretation, leave me out of their worldview, and the ONE who wrote the Scriptures who tells us plainly His Words are Spirit and are to be understood Spiritually. http://biblehub.com/1_corinthians/2-14.htm I think such vantage is leaving many revealed truths far behind because it is a rather narrow and private interpretation; not shared by the entire Body of Christ; let alone myself who has been taught by our Creator by many thousands upon thousands of revelations over many years. And yet, I reiterate I have no recollection of God ever telling me personally exactly WHEN Creation Began. He who inhabits

Eternity, may one day tell me; but at present I see Creation as coming forth in our Eternal Creator, and while Creation definitely had a Beginning, when I have had glimpses of His Omniscience it is so vast as to seem without Beginning or End; HOW does one pinpoint the FIRST THOUGHT of an ETERNAL CONSCIOUSNESS? unless that Being tells them exactly? And IF He tells them; are we certain we have understood WHAT He tried to convey to us concisely? Often it takes multiple Divine Revelations to even begin to understand the very simplest concepts. I personally see no discrepancies between those who claim long dates and the Scriptures; and yet, neither am I convinced that ANY dating method I have researched is remotely accurate. Stepping beyond the parallax method, I see room for greater and greater error the larger the distances claimed by the other methods. Similar to the dating of anything prehistoric. The room for error increases exponentially as one attempts to gaze beyond recorded history; especially beyond recorded history as contained in the Holy Bible. I am more fascinated with the fact that Creation is MOST CERTAINLY CREATED with a DIVINE PURPOSE as <https://www.youtube.com/watch?v=EUQEMqF5dL8> points out, and it appears that purpose is to lead ALL souls to KNOWING our CREATOR personally. In that process perhaps one or more of us will finally be able to convince all the rest of us EXACTLY WHEN it ALL "began". Until that moment, I am more concerned with making sure that everyone knows Him, before people destroy each other and the world at present, while others are preoccupied with prehistoric theories of our past. <https://www.facebook.com/notes/michael-swenson/america-is-under-attack/699844766761152> and <https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773> and <https://www.facebook.com/notes/michael-swenson/observable-divine-judgments/732720553473573>

Why the fear? And anger? If it is your mission in life to go around offending those who both profess and serve the Living Lord Jesus Christ and then CLAIM that your reason for doing so is due to some fantasy; some whimsical notion of yours regarding who you THINK He is; then I; yet, not I but He who is Faithful and True, counsels you to spend A LOT more time with Him; getting to KNOW Him as HE truly is. All persons (especially such American females predominantly) who have turned themselves into mean spirited, hyper-critical, overtly domineering persons who resemble something from hell itself; emasculating their own husbands and sons, even strangers, disrespecting them and otherwise thinking they rule their universe and the world to such a degree that they even mold JESUS CHRIST, LORD of the Armies of Heaven, into something that resembles a timid effeminate version to their liking, STAY AWAY FROM ME NOW AND FOREVER!!!!!!!! (unless you repent) You in NO WAY represent JESUS CHRIST or CHRISTIANITY but are in fact in rebellion and opposition to Him and His Teachings!!!!!!!! <http://biblehub.com/proverbs/6-19.htm> If you wretches and poor excuses of what it means to be a true woman of GOD spent even half as much time giving the devil and his minions as much grief as you give your own husbands and other men and women of GOD in the Faith, then this

world would have long ago come to know the Lord!!!!!!! some of the most critical persons of others efforts in the Faith have done little to NOTHING themselves in the cause of the Great Commission. <http://biblehub.com/mark/16-16.htm> FOCUS on the lost, FOCUS on harassing the wicked and evil doers and their agendas and implemented policies of death and destruction!!!!!!! And LADIES, ESPECIALLY AMERICAN WOMEN, LEARN AND REMEMBER that men crave, need, and godly men DESERVE RESPECT, like you need gentle loving care and compliments. It is commendable to be assertive, to stand for equality, but many overstep their efforts and in their zeal become domineering, destroying their own relationships. It is improper for men or women to be such, when we are designed to help each other; be supportive of each other instead of what the antichrists have done to destroy families. (<https://www.youtube.com/watch?v=zCpjmvalgNA>) IF YOU CRITICIZE A MAN (or woman) OF GOD, you NEED to back it with FACTS; not opinions or fantasies about "your Jesus" which often has become so perverted in your minds as to be nothing more than an idol, a god of your own liking and opinion; rather than who JESUS CHRIST really is!!!!!!! JESUS CHRIST is not some mamby pamby feel good, twinkle toes, little fairy! HE is the LORD of the UNIVERSE, LEGIONS of FLAMING ANGELS BRIGHTER THAN TEN THOUSAND SUNS ARE AT HIS COMMAND!!!!!!! And for all you who say the GOD of the Universe has never displayed anger, rage, hatred of wickedness, I say the TRUTH; you do NOT KNOW Him!!!!!!! http://biblehub.com/2_thessalonians/1-8.htm GOD and MEN OF GOD, have the FULL GAMUT of emotions FOR THE REASON of USING THEM ALL AS NECESSARY. Fear, grounded in survival instincts; given us for the purpose of eschewing all things evil and wicked; and to learn to Reverence, Respect and Always Hold in Awe the Power that created us and the entire universe, the Same Power that can and will destroy us for choosing to become and remain wicked, perverse, demonic in thoughts, words and deeds; Love and Mercy to the Repentant (Love is the glue that holds the Virtues together, the impetus of every Righteous Thought, Word and Deed, the Bond of Fellowship between ALL who KNOW our Eternal Creator, Lord and Savior, JESUS CHRIST; the very essence and motivation of all that is Good, Honorable and Commendable), Comfort and Kindness to the disheartened, downtrodden, weary; Sadness for those weeping due to the tragedies, trials and tribulations, calamities of this present dark age in which far too many are choosing to be sinful; estranged from their own Creator and the Knowledge that can Save them; ANGER; even RAGE against the ungodly who are harming innocent children, men and women of God, the righteous, faithful and decent souls that SHOULD NOT BE SUFFERING at the hands of the wicked!!!!!!! No emotion God has given us is evil in any way, and all emotions when used properly are for our good and the good of all creation. Many of those speaking only Truth are being labeled by those choosing to be wicked as "haters" in derogatory fashion; all those proclaiming Truth do HATE: lies, false accusations, perversions, wickedness, evil, criminal thoughts, words and deeds that inherently harm all those participating in such and even those persons all around those participating in such. I personally hate the fact that people behaving so evilly FORCE us, instead of the many good and creative things we would RATHER be doing, to have to spend our time rebuking and in worst cases arresting them; even with lethal force when necessary. If all those proclaiming to be Christians were not focused on being critical of those who actually are Christians; INSTEAD; if those calling themselves CHRISTIANS actually were FULL OF THE VIRTUES OF CHRIST, they would be arming themselves and arresting the wicked worldwide for their crimes and atrocities against humanity; including and especially brainwashing innocent children with their antichristian perversities and dogmas!!!!!!! women! stop STEPPING ON men (and other women in feigned self-righteousness and wistful notions of your

imaginary version of Jesus Christ), your elevation will result automatically when you SUPPORT THEM instead of hindering them!!!!!!! (SUPPORT THE GODLY AND ALL RIGHTEOUS EFFORTS ON EARTH, ALL PROCLAIMED TRUTH; be critical of the ungodly, all lies, all wickedness, instead and if you are in one of those moods that men like to run away from; just to keep from giving you the tongue-lashing and/or spanking that you richly deserve (and must not have gotten in your upbringing); in such moments, TAKE IT OUT on the liars, the murderers, the rapists, the greedy, the wicked and perverse! NOT the men and women proclaiming Truth out of Love and Righteousness in Jesus Christ!!!!!!!)

Nine rings **JOSEPH RINGS**

Exhibit D: The "Yakov" Joseph's royal seal was discovered at Tell el-Daba, the site of the ancient Hyksos capital at Avaris. This is also the location of Rameses, the place where the Israelites settled (Gn 47:11) and where they departed from (Ex 12:37). In the 13th century BC, long after the Israelites left Egypt. The Austrian team excavating the site found nine scarabs (beetle-shaped amulets) bearing the name of a Hyksos called Jacob-Her dating to ca. 1700 BC. The naked archaeologist, of course, says that this is Joseph's father Jacob. He further contends that these are "seals worn by Joseph's court officials." the scarabs are connected to the high official Joseph. (Bietak 1997: 115).

JOSEPH & THE 9 ROYAL RINGS

Jewish historian Josephus says that, at the time of Joseph, there was a Semitic people called "Yakow" ruling Egypt's Nile Delta. He identifies the Yakow with the Israelites. For over four decades, Professor Manfred Bietack has been digging at Avaris. It is there that he found a statue that may very well be linked to Joseph. **The question is, has Professor Bietack found any royal signet rings? And the answer is, yes! What is inscribed on them: "Yak-Hr."**

I mean, after all, this is the only time that the name of the Semitic patriarch is inscribed on an Egyptian royal scarab.

Professor Bietack has found nine rings with Jacob's name on them. Here we have perfect synchronicity between the biblical text and Egyptian archaeology. Joseph's royal ring has been found in a 3700 year old archaeological context!

Yesef ben Yakob - Joseph, son of Jacob.

THE DISCOVERIES OF ARCHAEOLOGIST DR. BIETACK

SEE THE NEW FILM THAT WILL CHANGE HISTORY

Dr. Bietack, in his excavations of Avaris, has found 9 rings with the Hebrew name, "Yakob", clearly inscribed on it. That's kind of miraculous, like finding a needle in a hay stack.

Seal with naked man and woman

In 1922 E. A. Spence of the University Museum of Pennsylvania discovered a seal near the bottom of the Tepe Gawra mound beside ruins from Mesopotamia. He estimated that the seal came from about 3000 B.C.

It shows a naked man and a naked woman, both bent over as if they were oppressed or abject. Behind them, faintly visible, is a temple (see drawing in upper left of image).

The seal is small, only about one inch in diameter, engraved on stone, and now held in the University

The "tangible darkness" of Exodus 10:22

Allen translates the description of the calamity as follows (from lines 6-10 on the face of the stela, 8-12 on the reverse):

[Then] the gods [made] the sky come in a storm of rain, with darkness in the western region and the sky beclouded without [stop, louder] than [the sound of] the subjects, stronger than ... howling(?) on the hills more than the sound of the cavern in Elephantine. Then every house and every habitation they reached [perished and those in them died, their corpses] floating on the water like skiffs of papyrus, ... for a period of up to [] days, while no torch could give light over the Two Lands... Then His Majesty said: 'How these (events) surpass the power of the great god and the wills of the divinities!'

The Joseph ring with Jacob's name written on it. Dr. Bietack digging in avaris discovers nine rings and one of them contains the name of Jacob Joseph's father dating to the time of Joseph. Found in the palace in Egypt. You don't hear about this kind of stuff for the same reason you don't read or hear about the Tempest stone hidden in the basement of Cairo museum. A stone that shows the cutting of the water. That's the Red Sea crossing of water by the way. I wonder why we don't hear that? Do you think it has something to do with the brotherhood of Islam? Come on now give me a break.
