islam and muslims have razed churches, synagogues, temples, places of worship for the past 1400 years of their existence, such that their provably demonic cult of deception and organized crime in sharia nations have nothing but mosques for their devil allah; all other faiths exterminated by torture, murder, destruction and death. jihadists have now invaded the west and true to form DECEPTION is one of their key roles to play in keeping their would be victims unarmed and unprepared from the coming violence. articles like this play into their hands of jihad by infiltration, deception and violence. It is time all persons worldwide realized the very real danger islam represents not just to our freedoms but to our lives by reading their books and knowing their history and current events including the many thousands of churches muslims burned, desecrated and destroyed in RECENT history, at times with parishioners still in them, BURNED alive, to charred corpses while the murdering muslims praised their devil allah. The west needs to STOP kowtowing to and coddling muslims, who see this kind of ignorance as an open invitation to slaughter such stupid and unsuspecting people.
